Course Requirements

Attendance / Participation: It is vitally important that our classroom environment promote the respectful exchange of ideas, including being sensitive to the views and beliefs discussed during classroom and online discussions. Your success in this course will depend on your communication, consistent engagement, and active participation in all course activities. Success in this course requires that you adhere to the deadlines given as you complete assignments, discussions, and other course activities. Attendance is mandatory (see below). Late work will be lower in grade (see below).

Turnitin: By taking this course, you agree that all required papers may be subject to submission for textual similarity review to Turnitin for the detection of plagiarism. Some papers submitted for review will be included as source documents in the global Turnitin repository to be used in future reviews. You should remove your name and any other personally identifying information from your papers prior to submission to Turnitin.

Lectures: Lectures are given within the classroom. Student discussion is encouraged as this will aid the use of vocabulary, concepts, and topics used within online discussion and assignments.

Tests: There will be four tests in this class based on slide information, lectures, and any other assigned materials. The tests consist of multiple choice questions, short answer, and comparison essays based on visual prompts. These tests will take place within regular class hours without the assistance of notes, textbook, or other materials. No make-up exams will be allowed without documentation from a doctor or academic authority. In this case, prior notice of any upcoming missed days is preferred.

Participation: Each class will require students to participate in discussions and group work. There will be an activity sheet each class that will be turned in at the end of class. A student who leaves class early will earn a zero for that day's participation points.

D2L Discussions: Three times during the semester, students will type responses to topics posted on D2L. As graded discussions, students are expected to make initial comments and reply to other students in class. Each posting will have specific criteria.

Work Ethic: Personal motivation and discipline are keys to a student's success in this course. These qualities are demonstrated to me by actions - such as preparation for each class, thoughtful inquiry, and involvement in discussions. Students should expect to spend at least three hours per week on homework in addition to class time. Late work will be lower in grade.

Evaluation

Student work will be reviewed by means of formal evaluations. Students will be evaluated according to predetermined requirements for all assignments/papers/tests.

Tests (4): 40%	Participation: 20%
D2L Discussions (3): 10%	Projects (2): 30%

Final Grade Summary:

A = 90 –100% B = 80 – 89 % C = 70 – 79% D = 60 – 69% F = 59 % OR LESS

Late work will be counted against; one letter grade for each class period after it is due. Ex: An A grade is lowered to B after one period late, after two periods late the A is lowered to C, etc. **Late D2L assignments are lowered one letter grade per day that they are late.**

Plagiarism is unacceptable and will result in a 0 for the project. No exceptions. Any students found guilty of academic dishonesty is subject to disciplinary action as per the student handbook.

Attendance, Absence, and Late Policy

Students enrolled in the Juanita and Ralph Harvey School of Visual Arts must comply with the following department-wide Attendance, Absence, and Lateness Policy:

- Students arriving 10 minutes after class begins will be considered late, and will be counted absent.
- Three late arrivals count as a single absence.
- Students may be absent from class 2 times without penalty and without providing any documentation regarding the absence.
- If a student incurs a 3rd absence, his or her final course evaluation will be reduced by a full letter grade.

- If a student is absent 4 times, whatever the reason, he or she will receive a failing grade (F) for the course, dropped from class roll, and be asked to stop attending class
- Students are required to remain in class for the entire class session. Students will earn an absence if they leave before the professor has dismissed class.
- Excused absences must be brought before me prior to the absence, or if later, the student must have supporting documentation (academic, medical, or family emergency) in the case of excessive absences.

Conduct Statement

Behavior that interferes with either the instructor's ability to conduct the class or the ability of other students to benefit from the instruction will result in the instructor's removing the disruptive student(s) from the class, either temporarily or permanently (instructor drop), and receive a final lower grade, up to and including F. In addition, and depending on the nature of the behavior or conduct, the student(s) may be subject to further disciplinary actions as per MSU policies.

Student Honor Creed

"As an MSU Student, I pledge not to lie, cheat, steal, or help anyone else do so."

As students at MSU, we recognize that any great society must be composed of empowered, responsible citizens. We also recognize universities play an important role in helping mold these responsible citizens. We believe students themselves play an important part in developing responsible citizenship by maintaining a community where integrity and honorable character are the norm, not the exception.

Thus, We, the Students of Midwestern State University, resolve to uphold the honor of the University by affirming our commitment to complete academic honesty. We resolve not only to be honest but also to hold our peers accountable for complete honesty in all university matters.

We consider it dishonest to ask for, give, or receive help in examinations or quizzes, to use any unauthorized material in examinations, or to present, as one's own, work or ideas which are not entirely one's own. We recognize that any instructor has the right to expect that all student work is honest, original work. We accept and acknowledge that responsibility for lying, cheating, stealing, plagiarism, and other forms of academic dishonesty fundamentally rests within each individual student.

We expect of ourselves academic integrity, personal professionalism, and ethical character. We appreciate steps taken by University officials to protect the honor of the University against any who would disgrace the MSU student body by violating the spirit of this creed.

Written and adopted by the 2002-2003 MSU Student Senate.
