**Course Description**

Designed for advanced students to work in appropriate areas; not otherwise available to respiratory care. May be taken twice with varying topics vary. No Text book required.

**Course Structure**

Students are awarded points for obtaining skills that help advance the practice of respiratory care. Points are awarded for specific classes. More points are awarded when the student completes a NEW area of practice. NEW refers to obtaining education/training that the student had not previously been trained in. Fewer points are awarded for re-certifying in an area of study. Certificates of Completion are used to document course completion. The certificates must be obtained, and therefore dated, AFTER the start of the semester of RESP 4243 at MSU. No certificates can be used when dated BEFORE the start of the semester (January 16, 2024). The student should achieve a point total of 3 (see table below) and write a Reflective Report. Once documentation is submitted, the instructor can complete grading for this class. This course can be taken twice for credit, however excess points obtained in the first class CANNOT be carried over to the second and topics must vary.

### Alison Online Certifications

Each of the following certifications are worth 0.25 points each up to a max of 4 certifications for a total of 1 point. You may choose from the following courses:

- Elderly Care and Caring for the Disabled
- Infection Prevention and Control Masterclass
- Global Health Initiative: Chronic Obstructive Pulmonary Disease Awareness
- Pharmacotherapy: Cardio, Respiratory, Gastro, & Endocrine Systems
- Telehealth for Healthcare Providers

**Note:** Although taking these courses are listed as free, they do require a fee to acquire the certification. [www.Alison.com](http://www.Alison.com)

### **Assignment Grading**

Assignments	Percentage of Total Grade
Certificates of Completion	80%
Reflective Report	20%

### **Grading Scale**

Letter Grade	Percentage Grade
A	90-100%
B	80-89%
C	75-79%
D	60-74%
F	Less than 60%

A minimum grade of 75, or a C, is required in all respiratory courses. All assignments must be completed by 11:59pm on the due date.

### **Certificates of Completion**

Each time the student completes a program of study a copy of the certificate of completion must be obtained and submitted via the dropbox. These certificates are used to document the students' attendance in the class. All certificates must be submitted no later than December 1, 2023 at 11:59pm. This allows time for grading. Students will not be given credit for attempted exams. In other words, the student must pass exams associated with the advanced credential in order to be awarded points for that certificate.

### **Reflective Report**

A word-processed report must be written that explains why the particular certificates that were obtained are important to advancing the practice of respiratory care. The report is to be narrative rather than a list of topics covered. The report needs to have at least three pages of written material, 1-inch margins, double-spaced and 12-point font. The grade is made on how well the student makes the argument that the material studied advances the practice of respiratory care. The style of this paper is to be energetic and precise: the sentence structure is varied and the words are carefully chosen. *How* the writer says things is as excellent as *what* the writer says. There is evidence of careful editing since the essay contains few grammatical and/or mechanical errors. A writing rubric is attached to this assignment in D2L so you will be able to see what I'm looking for in your assignment. This is due April 28, 2024 by 11:59pm.

### **Late Work, Make up Work:**

Late work is typically not accepted within the course and is subject to a grade of a zero. However, late work may be accepted at the discretion of the instructor. If a student is going to miss an assignment or course activity, it is the student's responsibility to contact the instructor prior to the submission deadline.

Communication is key. If late work is accepted by the instructor, a 10% reduction will be taken for each day (weekends and holidays included) after the scheduled assignment or course activity due date.

### **Important Dates:**

Deadline to file for May graduation: February 17, 2025

Last Day to drop with a grade of "W:" April 30, 2025 by 4:00pm CST

### **Desire-to-Learn (D2L):**

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

### **Online Computer Requirements:**

Taking this class with an online component requires you to have access to a computer (with Internet access) to complete and upload your assignments. It is your responsibility to have (or have access to) a working computer in this class. ***Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered a reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.*** Computers are available on campus in various areas of the buildings as well as the Academic Success Center. **Your computer being down is not an excuse for missing a deadline!!** There are many places to access your class! Our online classes can be accessed from any computer in the world which is connected to the internet. Contact your instructor immediately upon having computer trouble. If you have technical difficulties in the course, there is also a student helpdesk available to you. The college cannot work directly on student computers due to both liability and resource limitations however they are able to help you get connected to our online services. For help, log into [D2L](#).

### **Instructor Class Policies:**

Students are required to participate in class in a respectful manner whether or not the interactions are online or face-to-face. All course assignments must be submitted to D2L in Microsoft format including, Word documents and PowerPoint. For students without Microsoft software, Microsoft offers students a free download of Office 365. This software can be accessed and downloaded through the following link: <https://www.microsoft.com/en-us/education/products/office>

### **Change of Schedule:**

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer

semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the ***Schedule of Classes*** each semester.

### **Refund and Repayment Policy**

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

### **Disability Support Services:**

Midwestern State University is committed to providing equal access for qualified students with disabilities to all university courses and programs, and by law all students with disabilities are guaranteed a learning environment that provides reasonable accommodation of their disability. This guarantee is provided through Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. The ADA reads: "No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of a public entity, or be subject to discrimination by any such entity." The Director of Disability Support Services serves as the ADA Coordinator and may be contacted at (940) 397.4140, TDD (940) 397.4515, or 3410 Taft Blvd., Clark Student Center 168.
