Cases of academic dishonesty will result in a failing grade for the course and a letter to the Dean of the College of Health Sciences and Human Services requesting that you be withdrawn from the University. If there are any questions as

One of the hallmarks of a good essay is that it demonstrates clarity of thought. This may be your ability to identify different issues and discuss them in a logical manner. It may mean organizing materials into a coherent structure for the essay. It could be showing that you are able to make important distinctions and insights.

This may not come easily at first, but with practice it should be possible to gain greater clarity through discipline, selection, and planning.
