### ***Grading Summary***

#### **Other Information:**

##### ***Disability and Accommodations***

If a student (1) needs class accommodation(s) because of a documented disability, (2) has an emergency medical condition that may interfere with class performance, or (3) requires special handling in case the building must be evacuated, he/she is encouraged to contact the office of Disability Support Services in room 168 Clark Student Center (940) 397-4140 and make an appointment with the professor as soon as possible.

##### ***Student Conduct***

Behavior that interferes with either the instructor's ability to conduct the class or the ability of other students to benefit from the instruction will result in the instructor removing the disruptive student(s) from the class, either temporarily or permanently (instructor drop), and assigning a final lower grade, up to and including an F. In addition, and depending on the nature of the behavior or conduct, the student(s) may be subject to further disciplinary actions as per MSU policies.

##### ***Privacy Statement***

Federal privacy law prohibits the instructor from releasing information about students to certain parties outside of the university without the signed consent of the student. Thus, in almost all cases the professor will not discuss a students' academic progress or other matters with his/her parents. Please do not have them call. Regardless of these important legal considerations, the professors' general policy is to communicate with the students, not their parents, even when a student has signed a consent form. College students are adults and are expected to behave accordingly.

##### ***Academic Dishonesty***

Academic dishonesty including plagiarism and giving or receiving unauthorized assistance is prohibited. Plagiarism is (1) the use of source material of other persons (either published or unpublished, including the Internet) without following the accepted techniques of giving credit or (2) the submission for credit of work not the individuals to

whom credit is given. If a student in the class plagiarizes material, appropriate disciplinary action will be taken. The Student Honor Creed developed and adopted by the MSU Student Government reinforces the discouragement of plagiarism and other unethical behaviors. The first statement of the creed reads, "As an MSU student, I pledge not to lie, cheat, steal, or help anyone else do so." Plagiarism is lying, cheating, and stealing.

In this course, the use of generative AI tools (such as Chat GPT) is not permitted. If the professor of this course suspects that an assignment contains AI-generated or plagiarized content, the student will be informed by email and have 5 days to schedule an online office hour via Zoom to discuss the content. If the student fails to respond, no credit will be given for the assignment. Two or more zeros issued for suspected academic dishonesty will result in the automatic failure of this course.

### ***Campus Carry***

Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to the University's webpage at MSU Campus Carry Rules/Policies.

### ***Campus Closure Policy***

Since this course is fully online and asynchronous, all assignments will remain due at the time listed in the syllabus unless otherwise altered by the instructor despite any campus closure procedures.
