Distance Learning Preparation

To ensure our preparedness for any potential health concerns, there are several requirements. If the course is forced to an online modality, it is expected that the student will be able to make that transition with ease. A working video camera with sound and a stable internet connection, are vital. In addition, when in class via ZOOM, the student must be consistently visible in their ZOOM window. If the student cannot be seen, they will be counted absent. When setting up for a ZOOM class, the student's class environment must be free of distraction and external noise. This means, no driving or walking somewhere or doing laundry while in class. Also, ensure you are in an environment where you can participate audibly without significant background noise.

Grading

Types of learning – there are three methods to learn the material in this class:

1. *Lectures* – come to class and I will impart information that is different than the required reading. Your knowledge of the lectures will be assessed through the weekly quizzes.
2. *Readings* – read any materials provided and be prepared for a potential quiz. If you are late to class, you may miss the quiz. The quiz serves to ensure that you are reading but also serves as assessment for the lecture material.

**By accepting this syllabus, you are indicating that
you understand and accept all the policies listed herein.**

3. **Lab Hours** – This is an opportunity to gain points by performing the basic duties of an electrician, assistant head electrician or an assistant lighting designer. These duties may include hanging and focusing the lights for a production, managing the lighting paperwork or overseeing a crew building practical effects. Showing aptitude could result in greater creative responsibilities. Make sure you are properly dressed for shop work.

Makeup policy – Late assignments will **NOT** be accepted. All assignments will be formally collected during the class period in which they are due. Quizzes missed due to absenteeism cannot be made up.

Withdrawals – It is the responsibility of the student to properly withdraw.

Point value/grade distribution: 100-90=A, 89-80=B, 79-70=C, 69-60=D, 59-0=F

There are 110 points possible but grades will be calculated on a 100point scale.

Cell Phones and Other Recording Devices

Cell phones must be silenced and put away completely out of sight and not looked at until the class is over. If at any point your cell phone is NOT put away and silenced, you will be asked to leave for the remainder of the day.

The use of cell phones and other recording or electronic devices is strictly prohibited during class. The instructor may direct, from time to time, on the possible use of cell phones for legitimate class reasons. Recording the class is prohibited, unless it is part of a reasonable accommodation under ADA, or by obtaining written consent by the instructor.

Computer and Tablet Usage

Often electronic devices provide distraction during class. The use of electronic devices during class is prohibited unless specifically mentioned otherwise. Note taking should be accomplished with a writing utensil and paper. Always be prepared with the proper note taking materials when in class.

Dress Code

Be aware that we may be getting dirty during class or participating in activities that require movement. Dress appropriately.

Attendance

You must attend the required class periods. You are responsible for any information that you miss due to absenteeism. Attendance is taken at the beginning of class. Excessive lateness may count as an absence and will be determined by the instructor. Excessive absenteeism during the course can also weigh negatively on attendance. This would include leaving class early, being asked to leave for any reason, or prolonged absence during the class time

Unavoidable absence – Jury duty, death in the family, etc. You must send notification by email to the instructor explaining the situation prior to missing the class. Be sure to include your name, class period (day/time) and your situation.
