### **Course Description**

Course content includes the theoretical and procedural aspects of effective group work, including group dynamics and the stages of group process. To gain experience in methods and practice, students participate as group members and as facilitators.

### **COURSE RATIONALE**

Group counseling is generally considered an effective, efficient modality of treatment and is preferred to individual counseling in many settings. While there is some overlap in the skill sets between individual and group modalities, there are also some pronounced differences. This course allows students to explore the group experience as both a leader and participant while exposing them to the fundamentals of effective group counseling and applicability for client populations.

## **Grading**

**\*\* ALL WRITTEN ASSIGNMENTS MUST BE SUBMITTED VIA D2L AND ALL WORK MUST BE COMPLETED USING THE LATEST APA EDITION STYLE.**

**Online Assignments and Comments: (15 pts.)** Students are required to answer questions or complete assignments regularly related to the weekly reading. Almost every week students will be required to answer questions about the reading or be asked to reflect on a particular topic for that week. Students may also be required to engage in short creative projects instead of questions about the readings. If there is a discussion, students are required to participate and comment on at least one other person's thread. The assignments and weekly discussions are due by **\*Sunday** at 11:59 pm. Follow directions to get full points each week. Late work will not be accepted. **(See Appendix A)** (3.F.1, 3.F.2, 3.F.3, 3.F.4, 3.F.5, 3.F.7, 3.F.8, 3.F.9, 3.F.10)

Group Observation Reflection Paper: (11 pts.) Students will have two options for this assignment. **Option One:** Students may observe an in-person or zoom group (not put on by other students). This group could be an Addition group (AA, NA, Al-ANON, etc.), Domestic Violence or Abuse group, Grief group, Anger Management group, Parenting group, Communication group, etc. **Option Two:** Students may watch a movie that features a counseling group. For example, 28 days (on Netflix), Girl Interrupted, Anger Management, Manic, One Flew Over the Cuckoo's Nest, Fight Club, etc. **Remember, this is an academic paper. Please use sources, in-text citations, and list those sources on your APA reference page. When referencing your group whether in-person/zoom, or movie you must include a correct in-text citation for the group organization for in-person/zoom or for the movie. This source must also be listed on your reference page.** There are no minimum page numbers as long as you address everything on the outline guide, and paper template. Please see grading rubric to determine how detailed you need to be within each section **(See Appendix B)** (3.F.1, 3.F.2, 3.F.3, 3.F.4, 3.F.5, 3.F.7, 3.F.8, 3.F.9, 3.F.10)

10 Clock Hours of Direct Experience Paper: (20 pts.) Students will need to acquire 10 hours of direct group experience. This can be done by being a participant in other student's zoom groups, sitting in on in-person/zoom groups including AA, NA, Al-ANON, Domestic Violence or Abuse, Grief, Anger Management, or Parenting groups. You must write a paper with an APA 7 Cover page for this assignment. Students will **NOT** have to utilize a reference page for this assignment. Please use the given outline, and template. **Students will write an academic paragraph (at least five sentences) for each clock hour.** Students will simply write when they observed the group (date), name of the group, what the topic of the group was, how the group took place (in-person, zoom, etc.) and at least one thing that they learned during the group. Remember to write at least five sentences. **(See Appendix C). 3.F.10**

Record and Conduct a Group (20 pts): Students will record themselves conducting a 20-minute counseling group. Students may use zoom, or other recording devices. Groups must have at least three participants (not including the leader). Once recording, students must first discuss confidentiality before beginning the group. Students will then conduct a short icebreaker to build rapport with the group. Students will then choose a topic to instruct the group about. For example: self-compassion, stress management, compassion fatigue and burn out, a certain counseling theory, a counseling technique, etc. As long as the topic is in the realm of clinical mental health it is acceptable. Participants can be fellow students, family, or friends. Students are not to make up fake personalities for these groups, they are to be authentically themselves. Remember not to choose any topics that would be too emotionally heavy as students are not qualified to counsel each other. Students must maintain a professional demeanor when leading their groups. Students will be sure to summarize their group when wrapping up. Please utilize the outline given, and the grading rubric to determine how detailed one must be. **(See Appendix D)**

**KPI: TK 20 (3.F.4, 3.F.8, 3.F.9). I would suggest making an outline to follow while you lead, see Appendix D.**

Final Exam (24 pts.): There will be a final examination and it will cover each and every chapter in the textbook. Before you take the exam, please take a moment to utilize breathing exercises and mindfulness located within Appendix E to better prepare you to take the exam. **(See Appendix E)(3.F.1, 3.F.2, 3.F.3, 3.F.4, 3.F.5, 3.F.7, 3.F.8, 3.F.9)**

**Mandatory Zooms: (10 pts.)** There are two mandatory Zoom meetings for this class. Attendance and participation will be graded. The dates for these meetings are April 07, 2026 from 6:30 pm to 7:30 pm (CST) and April 21, 2026 from 6:30 pm to 7:30 pm (CST)

## Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

## Attendance

Class attendance is crucial to successful completion of this course since much of the training cannot be learned in textbooks. Therefore, GRADUATE STUDENTS are expected to be on time and to attend ***\*every*** session online and all required face to face classes. Tardiness, leaving early, and absences are considered evidence of lack of dependability, and are taken seriously.

## Online Computer Requirements

Taking an online class requires you to have access to a computer (with Internet access) to complete and upload your assignments. It is your responsibility to have (or have access to) a working computer in this class. ***\*Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.*** Computers are available on campus in various areas of the buildings as well as the Academic Success Center. ***\*Your computer being down is not an excuse for missing a deadline!!*** There are many places to access your class! Our online classes can be accessed from any computer in the world which is connected to the internet. Contact your instructor immediately upon having computer trouble. If you have technical difficulties in the course, there is also a student helpdesk available to you. The college cannot work directly on student computers due to both liability and resource limitations however they are able to help you get connected to our online services. For help, log into [D2L](#).

## Instructor Class Policies

The Clinical Mental Health Counseling Program, its faculty, and its students adhere to the University Code of Conduct, State of Texas licensure laws and regulations, and the American Counseling Association's (2014) *Code of Ethics*. The program has a professional responsibility to ensure that all students display ethical, professional, and personal behaviors that comply with these guidelines. Students are strongly encouraged to review, understand, and consult the [American Counseling Association website](#) for details related to these guidelines.

Department of Counseling students are expected to demonstrate appropriate classroom behavior, consistent with their counselor-in-training roles.

Counselors-in-training are expected to convey attentiveness and respect in all professional and classroom settings.

Online Etiquette: It is expected that students use formal, professional language when corresponding online. It is expected that you use complete sentences, address one another with respect, follow the American Counseling Association's (2014) *Code of Ethics*, and treat all members of the class with respect.

Confidentiality: Upholding confidentiality is a major responsibility of the student. Anything discussed during supervision, online in this class, or shared by individual students about themselves is considered confidential. Please do not share any information shared to you by other students.

Academic Misconduct Policy & Procedures: Students at Midwestern State University are an essential part of the academic community and enjoy substantial freedom within the framework of the educational objectives of the institution. The freedom necessary for learning in a community so rich in achieving success toward our educational objectives requires high standards of academic integrity. Academic dishonesty has no place in an institution of advanced learning. It is each student's responsibility to know what constitutes academic dishonesty and to seek clarification directly from the instructor if necessary.

Examples of academic dishonesty include, but are not limited to:

- Submission of an assignment as the student's original work that is entirely or partly the work of another person.
- Failure to appropriately cite references from published or unpublished works or print/nonprint materials, including work found on the World Wide Web.
- Observing or assisting another student's work.
- Multiple Submission - Submitting a substantial portion or the entire same work (including oral presentations) for credit in different classes without permission or knowledge of the instructor.
- Usage of Artificial Intelligence (AI) software, this does not include editing tools of Word or Grammarly i.e., spell check or rewriting suggestions for clarity.

### **Change of Schedule**

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

### **Refund and Repayment Policy**

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester.

HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

### **Services for Students with Disabilities**

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. #### *Smoking/Tobacco Policy*

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated-smoking areas at each location.

#### *Alcohol and Drug Policy*

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity.
