Homework

** ALL WRITTEN ASSIGNMENTS MUST BE SUBMITTED VIA D2L (and to Tk20) AND ALL WORK MUST BE COMPLETED USING THE LATEST APA EDITION STYLE (7).

Discussion Board, and Class Participation: (160 pts.) Students are required to answer questions regularly related to the weekly reading. Every week students will be required to answer questions about the reading or be asked to reflect on a particular topic for that week. Students are required to participate in the

discussions and comment on at least one other person's thread. The assignments and weekly comments are due by Sunday at 11:59 pm at the end of the week. Follow directions to get full points each week. Late work will not be accepted. Discussion posts must be written in an academic, formal manner using APA 7 format (See Appendix A). Section 3.A.2., 3.B.2., 3.C.5., 3.C.10., 3.E.13., 3.E.14., 3.E.15., 3.E.17., 3.E.20., 5.C.4.

Projects Required

Substance Abuse Counseling Paper: (25 pts.)

Students will write an academic paper on substance abuse counseling. Students must use academic resources including their textbook as well as other academic journal articles. Students must use appropriate in-text citations, and list every source used on their reference page. Students will address the history of substance abuse, theories of substance abuse, models of addiction within substance abuse, counselor role within substance abuse, diversity, attitudes, and assessments, and a personal reflection. Please use the outline located within Appendix B and the template located with D2L for your reflection paper. Remember, all papers need to be written in APA 7 formatting, using appropriate graduate level grammar, and academic writing. (See Appendix B). 3.A.2., 3.B.2., 3.C.5., 3.C.10., 3.E.13., and 5.C.4.

Addiction Group Attendance and Reflection Paper: (25 pts.)

Students will respectfully attend an open addiction group. These groups may include Al-Anon, Alcoholics Anonymous (AA), Celebrate Recovery, Narcotics Anonymous (NA), etc. Students will then write a reflection paper on their experience attending the addiction group. Students will introduce the assignment, identify the group observed, give initial thoughts before attending the group, identify the group skills and techniques, community-based resources, and a reflection. Please use the outline located within Appendix C and the template located with D2L for your reflection paper. Remember, all papers need to be written in APA 7 formatting, using appropriate graduate level grammar, and academic writing. (See Appendix C). 3.E.17. and 3.F.7.

Abstinence Project Paper: (25 pts.)

This project is designed to help students experience some of the feelings/thoughts that addicted individuals experience when they quit their drug or behavior of choice. This project requires that you give up a substance (e.g., nicotine, caffeine, or alcohol) or a behavior (e.g., Internet use, eating sweets, playing video/computer games, watching television, cell-phone usage) for a period of 4-weeks. For students who have difficulty identifying a substance or behavior, please contact the teaching professor so you can discuss what might be a challenge to give up for this time period. The purpose of this project is to increase empathy for those who are asked to abstain from something desirable. The project does not serve to emulate recovery, but rather to increase empathy

and foster insight into the psychological aspects of abstinence. Students should brainstorm positive substitutes for the activity/item/behavior from which they are abstaining. At the end of the 4-weeks, students will turn in a paper that discusses an introduction to the assignment, history of treatment of alcohol and other drugs, the substance or behavior given up, relapse prevention and recovery strategies, a personal reflection of the assignment, and a summary. Please see outline within Appendix D. Remember, all papers need to be written in APA 7 formatting, using graduate level grammar, and academic writing. (See Appendix D). 3.C.5., 3.E.13., 3.E.14., 3.E.15., and 3.E.17.

Final Exam

Final Exam (24 pts.):

Students will complete their final exam on D2L Brightspace. Students may attempt the exam twice with their highest grade being kept. Students will have 120 minutes to take the exam. Students will only be able to access the exam while it is open, there is NO late work for final exams (See Appendix E). 3.A.2., 3.B.2., 3.C.5., 3.C.10., 3.E.13., 3.E.14., 3.E.15., 3.E.17., 3.F.7., and 5.C.4.

Instructor Class Policies

Department of Counseling students are expected to demonstrate appropriate classroom behavior, consistent with their counselor-in-training roles.

Counselors-in-training are expected to convey attentiveness and respect in all professional and classroom settings.

Online Etiquette: It is expected that students use formal, professional language when corresponding online. It is expected that you use complete sentences, address one another with respect, follow the American Counseling Association Code of Ethics (2014), and treat all members of the class with respect.

Inclusivity: It is my intent to present material and activities that are respectful. It is also my intent that this course serves students from all perspectives and diverse backgrounds, addressing their learning needs both in and out of the classroom. I aim for students' unique experiences and viewpoints to be seen as valuable resources, strengths, and benefits to our collective learning. Your suggestions about how to improve the value of inclusivity in this course are encouraged and appreciated.

Confidentiality: Upholding confidentiality is a major responsibility of the student. Anything discussed during supervision, online in this class, or shared by individual students about themselves is considered confidential. Please do not share any information shared to you by other students.

Academic Dishonesty: Students at Midwestern State University are an essential part of the academic community and enjoy substantial freedom within the framework of the educational objectives of the institution. The freedom necessary for learning in a community so rich in diversity and achieving success toward our educational objectives requires high standards of academic integrity. Academic dishonesty has no place in an institution of advanced learning. It is each student's responsibility to know what constitutes academic dishonesty and to seek clarification directly from the instructor if necessary. Examples of academic dishonesty include, but are not limited to:

- Submission of an assignment as the student's original work that is entirely or partly the work of another person.
- Failure to appropriately cite references from published or unpublished works or print/non-print materials, including work found on the World Wide Web.
- Observing or assisting another student's work.
- Multiple Submission - Submitting a substantial portion or the entire same work (including oral presentations) for credit in different classes without permission or knowledge of the instructor.
- Usage of Artificial Intelligence (AI) software, this does not include editing tools of Word or Grammarly i.e., spell check or rewriting suggestions for clarity.

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. **HOWEVER**, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed.
