Learning Goals

1. General Learning Goals:

- Our Students will integrate knowledge across business disciplines. Course builds a proper foundation for further study of the functional areas.
- Our students will produce creative responses to business situations. Our graduates will demonstrate the capability to critically analyze business situations and develop creative solutions to opportunities and problems. This course focuses more on the analytical foundations.

These general learning goals are among those established by the Dillard College of Business Administration. General learning goals represent the skills that graduates will carry with them into their careers. While assessing student performance in obtaining these general learning goals, the Dillard College is assessing its programs. The assessments will assist us as we improve our curriculum and curriculum delivery.

2. Course Specific Learning Goals: After completing this course, students should be able to:

- Understand the accounting principles that form the foundation of an MBA.
- Understand the statistical methods that form the foundation of an MBA.
- Understand the economics principles that form the foundation of an MBA.
- Understand the financial principles that form the foundation of an MBA.

- Understand the management information systems principles that form the foundation of an MBA.
- Understand the marketing principles that form the foundation of an MBA.
- Understand the organizational behavior principles that form the foundation of an MBA.

Academic Integrity

With regard to academic honesty, students are referred to the “Student Honor Creed” of the [Midwestern State University Graduate Catalog](#). Academic dishonesty (cheating, collusion, and plagiarism) is taken seriously and will be investigated. The minimum penalty is an "F" in this course and referral to the Dean of Students for disciplinary action, which may result in expulsion from the University. This is an online course and requires a high level of commitment to integrity in completing exams. All work is expected to be done individually unless stated otherwise. Sharing computer files for any purpose in assisting another student is considered a violation of academic integrity for BOTH students.

Americans with Disabilities Act

If a student has an established disability as defined in the Americans with Disabilities Act and would like to request accommodation, that student should please see me as soon as possible (i.e., within the first two weeks of the semester). Refer to my office hours and phone number shown on page 1. This class follows the guidelines suggested by the Center for Counseling and Disabilities Services for those students who qualify for disability services. Please refer to the details in [Midwestern State University Graduate Catalog](#).

Campus Carry

Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to the University’s webpage at [Campus Carry](#). If you have questions or concerns, please contact MSU Chief of Police Patrick Coggins at patrick.coggins@mwsu.edu.

Syllabus Change Policy

This syllabus is a guide for the course and is subject to change. It is only a guide. It is not a contract. Syllabus changes will be communicated by notification on D2L and may or may not result in document changes. It is the student’s sole responsibility to find out from the home page, other students, or the instructor, if anything affecting the course requirements has changed. Check every day! It is not the instructor’s responsibility to individually inform students of changes.
