Exam 2 (Chapters 3 & 4)	15%
Exam 3 (Chapters 5 & 6)	15%
Comprehensive Final Exam	20%
Total	100%

Table 2: Total percentages for final grade.

Grade	Points

Homework and Quizzes

Online homework assignments will be made from the [VHL Central Supersite](#) daily. These assignments include written, audio and video activities. Each assignment is to be completed by 11:59 p.m. on the due date. Homework completed after the deadline will not be accepted. Failure to turn in the homework on time will result in a grade of zero for the given assignment. Also, you will have at least two writing assignments this semester that will count

towards your homework grade. Additional details about the writing assignments will be provided by your instructor.

Frequent quizzes based on homework and class work will be given. Graded homework and quizzes will contribute 15% to your final grade. No late work is accepted and no make-up quizzes are given. Your lowest homework grade and your lowest quiz grade will be dropped at the end of the semester.

Attendance

You are required to be in class for the entire 50-minute period. Arrive on time. You may be counted absent if you are more than 10 minutes late for class or if you leave class early.

Absences due to official university functions or documented illness will be dealt with on an individual basis and should be discussed with the instructor outside of class time. There are no "excused" absences from regular class periods and the instructor will take attendance every day. Each absence lowers your attendance grade. The attendance grade is calculated by dividing the number of days that you are in class by the number of days that the course meets. (Example for 2 absences out of a total of 57 class days: $55/57 = .9649... = 96.49\%$). The attendance grade contributes 4% to the final course grade.

This syllabus serves as notice that you may be dropped from the class without further notification if you are absent more than six times. A Conduct and Attendance Referral may be sent to the Dean of Students upon the fourth absence. If you decide to drop the course, you must follow university procedure for dropping a course in order to receive a W. If the instructor drops you, you will receive a WF or F.

Participation

Active participation in class in Spanish will be awarded by the instructor in the form of *puntos de participación*. At the end of the semester, you should have 100 puntos for a 100% in participation. *Puntos de participación* are awarded for your active participation in classroom activities in Spanish and for your interaction with the instructor in Spanish. Do not worry about speaking perfect Spanish; just speak. Accuracy will come with practice. Your participation grade contributes to 6% of the course grade. Attendance and participation together count for 10% of the course grade.

Language Laboratory

You will take a listening comprehension quiz in the Foreign Language Laboratory in Bea Wood 127. There are a total of six lab quizzes to complete, one for each chapter covered this semester. Please give your MSU Student ID to the lab attendant in order to receive your quiz. You will receive a quiz and a Scantron. You are not allowed to use books, notes, or any other materials when completing

the quiz. Also, do not write on the quiz. Please sign out at the lab attendant's desk in order to retrieve your student id. Make-up and/or late quizzes are not permitted. Your lowest lab grade will be dropped at the end of the semester. Please note the due dates below. A schedule of lab hours will be posted on D2L as soon as it is available.

Final Exam

The comprehensive final exam covers all materials studied during the course. The exam consists of a multiple choice, matching, and/or true false portion and a written/short answer portion. Projects Required

The Personal Reflection Essay serves as an assessment of the student's performance of the core curriculum objectives in the specific context of this course. I will provide information concerning the presentation, formatting and grading of this project later in the semester. The subject of the essay will be a cultural topic or topics assigned by the instructor according to the instructor's preference. The cultural topic will present the student with an ethical dilemma or issue for resolution. Students should demonstrate that they have adequately researched and considered the topic in the framework of the core curriculum objectives.

The core objectives for the Language, Philosophy and Culture Foundational Component Area are addressed in this course according to the following descriptions. A global assessment rubric will be used for measuring students' mastery of these core objectives in the context of the Personal Reflection Essay.

Critical Thinking Skills: Students will demonstrate creative thinking, innovation, inquiry and analysis, evaluation and synthesis of information.

Communication Skills: Students will demonstrate effective development, interpretation and expression of ideas through written, oral and visual communication.

Personal Responsibility: Students will demonstrate the ability to connect choices, actions and consequences to ethical-decision making.

Social Responsibility: Students will demonstrate intercultural competence, knowledge of civic responsibility and the ability to engage effectively in regional, national and global communities.

In responding to the topic, students must identify their core beliefs and the origins of those core beliefs, recognize the ethical issue(s) presented and the relationships between issues, state a position on the issue(s) and connect their position to implied actions and consequences¹. In other words, students must answer the following questions in their essays:

- What ethical issue(s) are presented? Identify these.
- What is your opinion or position about the issue(s)?
- How did you come to hold this opinion? Identify your core beliefs and their origin.
- What can/will you do personally concerning the issue?
- What are the implications of your opinion and the consequences of actions that you take or do not take regarding the issue?
