Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Attendance

You are allowed two weeks of absences which equals 4 absences for 1143 – excused or not. I will drop you on the 5th absence, and it will go on your transcript as an F if it happens before the safe drop date. Each tardy also counts as half an absence – so every two equals an absence. Students are expected to attend all meetings of the classes in which they are enrolled. One absence can set you back tremendously. It is your responsibility to be present, to be prepared, and to be successful. Coming to class provides you with the tools you need to meet the objectives and requirements of this course. You will be dismissed without materials and counted as absent, so come prepared. Please make sure you are in your assigned seat as I do take roll each day.

Please be aware of the consequences you could create. Check with your advisor. In case of hospitalization or death of a family member, or other reasons for the need of absences, please contact the Dean of Students at 397-7500.

“Authorized Absences” (see MSU Student Bulletin) will not be counted in this total. Such absences, though, do not excuse students from turning in required work on time. Please be aware that instructors may drop students from class rolls for lack of appropriate participation (See MSU Student Bulletin and Student Handbook). You may also see the Dean of Students.

If you miss work for whatever reason, it will be your responsibility to find out what you have missed and how **or if** it can be made up. Missing work will be averaged as a zero. Being absent will not be considered sufficient reason to excuse you from completing required work.

Dropping this course with a W can only be done the week preceding the university’s official extended drop date, **Monday, Nov. 24th by 4 p.m.** You may drop the course with a grade of W at that time if you have not exceeded the number of absences allowed in the course and if reducing your course load does not affect your enrollment at MSU. Remember this is a 3 hour course.

If you are enrolled in this course on the basis of required remediation, you will not be permitted to drop the course unless you are enrolled in another developmental course. A student in need of developmental education must be enrolled in developmental education each semester.

The MSU Undergraduate Catalog states, **“An instructor may drop a student anytime during the semester for excessive absences, for consistently failing to meet class assignments, for an indifferent attitude, or for disruptive conduct.”** MSU’s policy for developmental education requires an instructor to drop a student with an F.

Online Computer Requirements

Taking a class using D2L requires you to have access to a computer (with Internet access) to complete and upload your assignments. It is your responsibility to have (or have access to) a working computer in this class. ****Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered a reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.*** Computers are available on campus in various areas of the buildings as well as the Academic Success Center.

***Your computer being down is not an excuse for missing a deadline!!** There are many places to access your class! Our online classes can be accessed from any computer in the world that is connected to the Internet. Contact your instructor immediately upon having computer trouble. If you have technical difficulties in the course, there is also a student helpdesk available to you. The college cannot work directly on student computers due to both liability and resource limitations however they are able to help you get connected to our online services. For help, log into [D2L](#).

Instructor Class Policies

Safe Zone Statement: The professor considers this classroom to be a place where you will be treated with respect as a human being – regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is the professor's expectation that ALL students consider the classroom a safe environment.

Midterm Grades: In order to help students keep track of their progress toward course objectives, I will provide a Midterm Progress Report through each student's WebWorld account via Navigate. I will submit a grade for all students who are in danger of failing the course. Midterm grades will not be reported on the students' transcript; nor will they be calculated in the cumulative GPA. They simply give you an idea of where you stand at the midpoint of the semester. Students earning below a C at the midway point should make an appointment with me and consider visiting the Tutoring & Academic Support Programs Center.

Submission Format and Policy: All formal assignments are to be typed and formatted – and outside sources documented - according to MLA style. Additionally, all formal papers must be printed and submitted in your folder and uploaded into the D2L Dropbox folder unless otherwise instructed.

Papers not typed (or written as rough drafts) in MLA format will not be graded.

By enrolling in this class, the student expressly grants MSU a “limited right” in all intellectual property created by the student for the purpose of this course. The “limited right” shall include but shall not be limited to the right to reproduce the student's work product in order to verify originality and authenticity, and for educational purposes.

Note: You may not submit a paper for a grade in this class that already has been (or will be) submitted for a grade in another course, unless you obtain the explicit written permission of me and the other instructor involved in advance. Also, AI (artificial intelligence is not to be used in my classes). You must write using your resources and your own skills. The use of AI does not understand class prompts or objectives. It will create fake citations and cannot access MSU's databases. Any AI generated work can result in an F. It's not worth it. Again, use your own skills. That's what you came to learn!

Access to Microsoft 365: All students are able to download Microsoft Office 365 free of charge using their MSU Texas student email address. To acquire Office 365, please visit <https://www.microsoft.com/en->

[us/education/products/office?ms.officeurl=getoffice365?ms.officeurl=getoffice365](https://www.microsoft.com/education/products/office?ms.officeurl=getoffice365?ms.officeurl=getoffice365) and create an account. ***I strongly recommend it as it will cause fewer compatibility issues with your papers.

University Computer Labs: The University provides four open computer labs throughout the week. These four labs feature access to Microsoft Office Suite for writing and internet access for research. You can find these labs in:

Clark Student Center: 24 hours (Mon.-Sun.)

Dillard 146: Mon.-Thurs. 6:00 a.m. – 7:00 p.m.

Moffett Library: Mon.-Thurs. 8:00 a.m.-10:00 p.m.; Fri. 8-5, Sat. 10 am – 6 pm; Sun/ 2 pm – 10 pm

Legacy Hall: 24 hours (Mon. – Sun.)

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees, and room/board charges that were paid to MSU for the semester. However, if the student received financial aid (federal/state/institutional grants, loans, and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exist in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make an application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

College Policies

Campus Carry Rules/Policies

Refer to: [Campus Carry Rules and Policies](#)

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug-Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibit the unlawful possession, use, or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state, and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes as prohibited. The new Constitutional Carry law does not change this process. Concealed carry still requires a License-to-carry permit, and openly carrying handguns is not allowed on college campuses. For more information, visit [Campus Carry](#).

Active Shooter

The safety and security of our campus is the responsibility of everyone in our community. Each of us has an obligation to be prepared to appropriately respond to threats to our campus, such as an active aggressor. Please review the information provided by the MSU Police Department regarding the options and strategies we can all use to stay safe during difficult situations. For more information, visit [MSUReady – Active Shooter](#). Students are encouraged to watch the video entitled “Run. Hide. Fight.” which may be electronically accessed via the University police department’s webpage: [“Run. Hide. Fight.”](#)

Grade Appeal Process

Update as needed. Students who wish to appeal a grade should consult the Midwestern State University [MSU Catalog](#)
