### Homework and Quizzes

Online homework and quizzes will be made from the [VHL Central Supersite](#) daily. These assignments include written, audio and video activities. Each assignment is to be completed by 11:59 p.m. on the due date. Homework completed after the deadline will not be accepted. Failure to turn in the homework on time will result in a grade of zero for the given assignment.

Two "in class" quizzes will be given per chapter; they will be averaged with the online quizzes on vhl. Graded homework and quizzes will constitute a total 25% to your final grade. No late work is accepted and no make-up quizzes are given. Your lowest homework grade and your lowest quiz grade will be dropped at the end of the semester. There are no pop-quizzes in this class, but at the same time, there are no specific dates for quizzes, so be in class, and be informed.

### Participation

Please note that participation contributes 15% toward the final grade in this course. Participation in class is mandatory. Your participation grade will be based on the "points system". During the class you will do activities and exercises, individually or as a group. Each time your professor asks you a question based on these activities you should answer in Spanish for which you will receive a point. The professor will register the participation of chapters 7 and 8 individually and then she will register the participation every two chapters. You will have a total of four participation grades. Notice that you will have to speak Spanish during the class, but don't worry about speaking perfect Spanish, accuracy will come with practice. There will be frequent group work for which the entire group will receive participation as well.

### Absences and tardiness

Attendance in this class is mandatory, you are required to be in class for the entire 50 minute period. Arrive on time. You will be counted absent if you miss

more than 10 minutes of class time. You are allowed to miss 5 classes, in case of emergencies; after those, the professor can drop you from the class without further notification. Be aware, the more classes you miss the more your participation grade is affected, since you can't participate when you are in class. However, if you participate consistently in class, you can always catch up with the rest of the class.

Absences due to official university functions or documented illness will be dealt with on an individual basis and should be discussed with the instructor outside of class time. It is the student's responsibility to keep up with his/her own absences. There are no "excused" absences from regular class periods.

### Language Laboratory

You will take a quiz based on videos you will have to watch at the World Languages Laboratory in Bea Wood 127. There are a total of six lab quizzes to complete, one for each chapter covered this semester. Please give your MSU Student ID to the lab attendant in order to receive your quiz. You will receive a quiz and a Scantron. You are not allowed to use books, notes, or any other materials when completing the quiz. Also, do not write on the quiz. Please sign out at the lab attendant's desk in order to retrieve your student id. Make-up and/or late quizzes are not permitted. Your lowest lab grade will be dropped at the end of the semester. Please note the due dates below. A schedule of lab hours will be posted on D2L as soon as it is available. Below there is a table with the deadline for each lab chapter.

Lección 10: 03/11	Lección 11: 04/11	Lección 12: 04/25

### Exams

There are three major exams, one every two chapters. Each exam consists of a multiple choice, matching, and/or true false portion and a written/short answer portion. Each major exam contributes 10% to the final course grade. You will be allowed one class period (50 minutes) for each major exam.

### Final Exam

The comprehensive final exam covers all materials studied during the course. The exam consists of a multiple choice, matching, and/or true false portion and a written/short answer portion. The Final Exam contributes 20% to the final course grade. The Final Exam for this course is scheduled for Saturday, April 30 10:30am - 12:30pm, location: TBA

### Essay

Towards the end of the semester, you will write a personal reflection essay related to a sociocultural aspect. The essay will be written in English, and it will be an opinion type of essay. It should be typed and it should follow the guidelines given when time comes. The Personal Reflection Essay serves as an

assessment of the student's performance of the core curriculum objectives in the specific context of this course. I will provide information concerning the presentation, formatting and grading of this project later in the semester. The subject of the essay will be a cultural topic or topics assigned by the instructor according to the instructor's preference. The cultural topic will present the student with an ethical dilemma or issue for resolution. Students should demonstrate that they have adequately researched and considered the topic in the framework of the core curriculum objectives.

#### Extra Credit

In order to obtain extra-credit, you will be asked to attend some University functions, particularly Spanish Club and cultural activities, either in person or via zoom. Please understand that extra-credit is volunteered and not mandatory. There is no such thing as making up extra credit despite personal conflicts you may have.

#### Make Up Work/Tests

There will be no makeup quizzes, make up exams, or make up homework. However, at the end of the semester, the lowest grade of quizzes, labs, homework, will be dropped, and Vhl participation will be dropped, one grade per category, except for in-class participation, in class quizzes, and Exams.

If you have to miss an exam due to an official university function, please make arrangements with your professor prior to the exam and as soon as possible. If you are absent from an exam, you must present documented proof of illness or university activity to your instructor before an early or make up exam will be scheduled. Be aware that scheduling a make up examination is up to the discretion of your professor.
