

# Christy Bowen DNP, RN

## Objective

I am a resourceful problem solver who thrives in a fast-paced environment. I have experience supervising multiple staff and managing high standards for program evaluation all while successfully teaching multiple cohorts. I have a strong ICU clinical background and the education needed to deliver exceptional patient simulated care. My resume highlights my ability, knowledge, and expertise in Doctoral Nursing Education with a specialty in leadership and management. I feel like the best way to give back to my profession is to steer progressive education through staff development, student engagement, recruitment, and retention.

## Key accomplishments

- Requested to Co-author a Concept-Based Nursing Education Textbook, and Faculty Manual on how to successfully teach Nursing Curriculum Conceptually.
- Developed over 50 CE certified, workshops on faculty development and curriculum development. Presented as Keynote speaker for all workshops across the US.
- Awarded employee of the year twice (Huguley Hospital, and Regency Hospital)
- Nominated for faculty member of the year 2019 (Weatherford College), Awarded Instructor Hall of Honor 2019 (Weatherford College PTK students)
- Completed training in leadership, managerial skills, team building, management of assaultive behaviors and critical care-medication administration.
- Served as Super User, trainer on new EHR, and LMS teams
- Responded to numerous volatile situations and violent outbreaks, earning the respect of physicians and coworkers for calm, composed, and quick thinking to restore the safety and security of patients, students, and staff.
- I have exceptional written and oral communication abilities. Very proficient computer skills. I am extremely goal oriented.
- Developed numerous simulation scenarios to be implemented with low, mid, or high-fidelity mannequins for either ADN or BSN level students.
- Have experience as Chair of curriculum and serve as a nursing education consultant to assist with curriculum development and revision across all 50 US states.
