Professional Experience

Midwestern State University, Wichita Falls, Texas, August 2012-Present
Associate Professor; Curriculum and Instruction Program Coordinator
I teach field-based undergraduate courses for pre-service teachers as well as C&I graduate courses. I serve on both university and college committees, as well as conduct research and participate in professional organizations by presenting research in my field. I teach both face to face and online courses.

Elgin High School, Elgin, Oklahoma. August 2011-May 2012
High School Counselor
I counseled students regarding developmental issues as well as academic and post-high school plans. I assisted in scheduling and conducting enrollment for approximately 560 students in grades 9-12 and coordinated with Cameron University and Great Plains Technology Center concerning concurrent enrollment. I made frequent contact with parents/guardians regarding student progress, and I coordinated the Oklahoma End-of-Instruction Exams, AP Exams, and the PSAT/NMSQT. I assisted students with scholarships, financial aid, college applications, and FAFSA, while coordinating parent nights for sophomores and freshmen. I've sponsored student trips to college and career fairs as well as ACT workshops and university campus visits. I assisted with Link Crew, a community-service-oriented peer advising organization where the counselors and other volunteers train students to mentor freshmen. I was responsible for submitting transcripts and ACT scores to employers, colleges and universities. I served on the Gifted and Talented Advisory Committee, and was also the Elgin Public Schools liaison to the Comanche County Fit Kids Alliance. I conducted senior graduation checks and senior advisory

conferences as well as searching for and obtaining new scholarships, posting updated lists to our schools website as well as helping students complete the applications. I administered placement tests and assisted in accreditation reports and other school-related reporting and record-keeping. I attended and conducted professional development workshops about curriculum, test administration and security, and other related areas.

Elgin High School, Elgin, Oklahoma. August 2003- 2011
High School English Teacher.

I taught English IV and Reading for Pleasure. In English IV, I prepared and executed daily lesson plans, units, and tests in accordance with our Oklahoma PASS standards. I attended department and staff meetings as well as other responsibilities such as grounds duty, creating and maintaining a webpage on the school's website, and keeping current assignments, grades, and attendance on a web-based grading system. I served as the English Department Team Leader and was responsible for submitting the Comprehensive Local Education Plan and Time Analysis reports to the administration. I was able to create a new elective called Reading for Pleasure in which students read for the 55-minute period any book they chose, so I read young adult literature extensively and helped students select books to read, while facilitating frequent book talks and other creative ways to get my students reading and discussing novels. I wrote grants to purchase new young adult literature and created an extensive classroom library. I presented workshops on our professional development days on grant writing and using EBSCO. I served as a member of committees such as the Professional Development Committee, the School Improvement Committee, and Healthy, Fit and Safe Schools Committee. I served as the National Honor Society Sponsor, and as the NHS sponsor, I monitored student GPAs and handled our chapter of the Oklahoma Honor Society as well. We engaged in numerous philanthropic activities each year. We have raised money for holiday food baskets, the American Cancer Society, the local animal shelter, Relay for Life, and an area children's home, as well as several community clean up days. I have also served as our alternative education program counselor for the past several years. As counselor, I taught life skill, started a community service component to our alternative education curriculum, and started a support group for pregnant teens in our program. I counseled students with drug and alcohol issues as well as counseling for employment readiness and college preparation.

Elgin High School, Elgin, Oklahoma. August 2000-2003
High School Counselor

I counseled students, assisted in scheduling and conducted enrollment for grades 9-12 and made calls to parents regarding student progress. I coordinated the End-of-Instruction Exams and assisted students with scholarship and college applications. I served as the NCAA and Selective Service contact person, coordinated financial aid workshops, composed a monthly article for our school newsletter, and was responsible for transcripts and ACT scores. I served on the Gifted and Talented Advisory Committee, conducted senior graduation checks, sponsored the 2001 junior class, and served as the counselor for our alternative education program.

Elgin High School, Elgin, Oklahoma. August 1997-May 2000
High School English Teacher.

I taught English I, English II, and Title 9-12 Language Arts. I prepared and executed daily lesson plans, units, and tests in accordance with the state's objectives. I assisted in administering standardized tests, served as class sponsor, served on the Title advisory committee, and taught night classes in 9-12 English for our school's alternative program. I led two separate educational groups of about 20 students to England, Paris, and Italy.

Burkburnett High School, Burkburnett, Texas. August 1995-May 1997

High School English Teacher.

I taught English I and 9-12 Reading Improvement. I prepared and executed daily lesson plans, units, and tests, and assisted in administering and preparing students for the state's standardized test. I maintained and utilized a classroom computer lab designated for the Reading Improvement Program. I purchased books and materials for students with reading difficulties and tracked and documented their progress. I completed the Models of Successful Teaching Training given by the Region IX professional development and teacher resource center. I co-led an educational group to Germany, Switzerland, Austria and Italy.
