

Christy Bowen DNP, RN

Objective

I am a resourceful problem solver who thrives in a fast-paced environment. I have experience supervising multiple staff and managing high standards for program evaluation all while successfully teaching multiple cohorts. I have a strong ICU clinical background and the education needed to deliver exceptional patient simulated care. My resume highlights my ability, knowledge, and expertise in Doctoral Nursing Education with a specialty in leadership and management. I feel like the best way to give back to my profession is to steer progressive education through staff development, student engagement, recruitment, and retention.
