### PROFESSIONAL CERTIFICATIONS/LICENSURE

Texas License for Respiratory Care Practitioner

Note: License number RCP00065289. Completion of 24 hours of continuing education is required for license renewal.

Registered Respiratory Therapist, National Board for Respiratory Care (NBRC).

Note: The RRT credential is nationally recognized as the "standard of excellence" for respiratory care professionals. Earning the RRT credential requires passing two examinations that objectively and uniformly measure essential knowledge, skills and abilities, and demonstrate advanced respiratory therapist status.

Neonatal/ Pediatric Respiratory Care Specialist

Note: the RRT-NPS credential is nationally recognized as above and beyond the RRT credential. It signals to employers, colleagues, and patients that the individual has very specialized skills. Earning the RRT-NPS credential requires passing an additional exam. It also requires 15 hours of continuing education for renewal.
