

CURRICULUM VITAE

Jie Zhang
Associate Professor of MIS
Midwestern State University
Wichita Falls, TX 76308
Email: jie.zhang@msutexas.edu
Office Phone: (940) 397-4790

EDUCATION

Doctor of Philosophy (Business Administration – MIS)
The University of Mississippi

Master of Arts (Economics)
The University of Mississippi

Bachelor of Arts (International Economics)
Renmin University of China

WORK EXPERIENCE

<i>Associate Professor</i> , Midwestern State University	2015 – Present
<i>Assistant Professor</i> , Midwestern State University	2010 –2015
<i>Assistant Professor</i> , Virginia State University	2006 –2010

COURSES TAUGHT

Business Analytics – Midwestern State University
Data Mining and Business Intelligence – Midwestern State University
Networking and Telecommunications – Midwestern State University
Project Management – Midwestern State University
Electronic Commerce – Midwestern State University
Management Information Systems – Midwestern State University
Information Systems Concepts (MBA) – Midwestern State University
Independent Study in Marketing – Midwestern State University
Graduate Independent Study in MIS (MBA) – Midwestern State University
Programming Logic and Design – Virginia State University
Operations/Production Management – Virginia State University
Business Statistics – Virginia State University
Quantitative Methods and Analysis – Virginia State University
Management Information Systems – Virginia State University
Introduction to Information Systems – Virginia State University

PUBLICATIONS

Peer Reviewed Journal Publications

1. James, T., Zhang, J., Li, H., Ziegelmayr, J., Villacis-Calderon, E. (2022) The moderating effect of technology overload on the ability of online learning to meet students' basic psychological needs. *Information Technology & People*, 35(4), 1364-1382.
2. Li, H., Gupta, A., Zhang, J., & Flor, N. (2020). Who will use augmented reality? An integrated approach based on text analytics and field survey. *European Journal of Operational Research*, 281(3), 502-516.
3. Li, H., Luo, X., Zhang, J., & Sarathy, R. (2018). Self-control, organizational context, and rational choice in Internet abuses at work. *Information & Management*, 55(3), 358-367.
4. Li, H., Luo, X., Zhang, J., & Xu, H. (2017). Resolving the privacy paradox: Toward a cognitive appraisal and emotion approach to online privacy behaviors. *Information & Management*, 54(8), 1012-1022.
5. Zhang, J., Li, H., Luo, X., & Warkentin, M. (2017). Exploring the effects of the privacy-handling management styles of social networking sites on user satisfaction: A conflict management perspective. *Decision Sciences*, 48(5), 956-989.
6. Zhang, J., Li, H., Yan, R., & Johnston, C. (2017). Examining the signaling effect of e-tailers' return policies. *Journal of Computer Information Systems*, 57(3), 191-200.
7. Li, H., Sarathy, R., Zhang, J., & Luo, X. (2014). Exploring the effects of organizational justice, personal ethics, and sanction on Internet use policy compliance. *Information Systems Journal*, 24(6), 479-502.
8. Li, H., Gupta, A., Zhang, J., & Sarathy, R. (2014). Examining the decision to use standalone personal health record systems as a trust-enabled fair social contract. *Decision Support Systems*, 57, 376-386.
9. Luo, X., Li, L., Zhang, J., & Shim, J.P. (2010). Examining multi-dimensional trust and multi-faceted risk in initial acceptance of emerging technologies: An empirical study of mobile banking services. *Decision Support Systems*, 49(2), 222-234.
10. Li, L., Zhang, J., & Sarathy, R. (2010). Understanding the compliance with the Internet use policy from the perspective of rational choice theory. *Decision Support Systems*, 48(4), 635-645.
11. Zhang, J., Luo, X., Akkaladevi, S., & Ziegelmayr, J. (2009). Improving multiple-password recall - An empirical study. *European Journal of Information Systems*, 18(2), 165-176.
12. Zhang, J., Li, H., & Ziegelmayr, J. (2009). Resource or capability? A dissection of SMEs' IT infrastructure flexibility and its relationship with IT responsiveness. *Journal of Computer Information Systems*, 50(1), 46-53.
13. Zhang, J., Reithel, B. J., & Li, H. (2009). Impact of perceived technical protection on security behaviors. *Information Management & Computer Security*, 17(4), 330-340.

14. Li, H., Sarathy, R., & Zhang, J. (2008). The role of emotions in shaping consumers' privacy beliefs about unfamiliar online vendors. *Journal of Information Privacy & Security*, 4(3), 36-61.

Conference Presentations

Zhang, J., Li, H. (2023) ChatGPT – a disruptive technology to critical thinking? Presented at the Decision Sciences Institute 54th Annual Conference, Atlanta, GA

Li, H., Luo, X., Zhang, J., and Lowry, P. (2021) The conflicting role of the game layer in the postadoption use of gamified learning systems. Presented at the Decision Sciences Institute 52nd Annual Conference, Online.

Zhang, J., Li, H. (2019) Parent involvement in child online activities. Presented at the annual conference of SWDSI, Houston, TX.

Li, H., Zhang, J. (2018) Health information sharing on online social networks. Presented at the annual conference of SWDSI, Albuquerque, NM.

Zhang, J., Li, H., Yan, R., and Johnston, C. (2015) Examining the signaling effect of e-tailers' return policies. Presented at the 22nd annual conference of American Society of Business and Behavioral Sciences, Las Vegas, NV.

Li, H., Luo, X., Zhang, J. & Sarathy, R. (2014) Understanding Internet abuses at work using extended rational choice theory. Poster presentation at the twentieth Americas Conference on Information Systems, Savannah, GA.

Zhang, J. & Luo, X. (2012). Self-disclosure vs. privacy in the context of online social networking – A theoretical review and integration. Presentation at the conference of Association of Business Information Systems, New Orleans, LA.

Li, H., Sarathy, R., and Zhang, J. (2010). Understanding compliance with Internet use policy: An integrative model based on command-and- control and self-regulatory approaches. Presentation at International Conference on Information Systems, St. Louis, MO.

PROFESSIONAL SERVICES

- Served as Associate Editor for Journal of Electronic Commerce Research (JECR), 2020-present
- Served on Editorial Review Board of the International Journal of Information Systems and Supply Chain Management (IJISSCM), 2017-present
- Served on Pre-ICIS SIGDSA conference program committee, 2017
- Served as Associate Editor for Decision Support Systems Journal special issue "A Comprehensive Perspective on Information Systems Security: Technical Advances and Behavioral Issues", 2015-2016
- Served on Midwest Association of Information Systems Conference program committee, 2010
- Served as reviewer for the following journals/conferences/book/project:
 - Book chapter in Data Communication & Networking 5th edition, 2012
 - Communications of the ACM, 2011
 - Decision Sciences Journal, 2018
 - Decision Support Systems, 2015, 2023
 - European Conference on Information Systems, 2012, 2020, 2023

- European Journal of Information Systems, 2011, 2012, 2014, 2015, 2019, 2020, 2022
- Information & Management, 2018, 2019, 2021
- Information Systems Frontiers, 2019
- Information Systems Journal, 2014
- International Conference of Information Systems, 2011, 2014, 2015, 2018, 2020
- International Journal of Information Systems and Supply Chain Management, 2017, 2018, 2019
- Journal of Electronic Commerce Research, 2013, 2018, 2019, 2020
- Journal of Global Information Management, 2016
- Midwest Academy of Management Conference, 2016
- MIS Quarterly, 2018
- MSU EURECA project review, 2015
- Pacific Asia Conference on Information Systems, 2013
- Pre-ICIS SIGDSA conference, 2017
- Social Science, 2013
