Expectations

Learning Effort

Regular online participation is required. Please monitor your email account at least every 24 hours in order to maintain contact with your instructor. Please attend to discussion posts in a timely manner. Professional dialogue opportunities and active participation are part of this class and will be considered part of the grade.

Reading and Presentation

This course requires a great deal of reading. The summary of case law in American Public School Law and The Educator's Guide are great resources. Students are encouraged to use a variety of presentation methods as part of the briefing that are to be shared via D2L or Flipgrid.

Assignments

Key Assessment: Human Resources Hiring Plan and Case Studies

As you lead the people in your school, it is important that you are aware of legal considerations in human resource management. You will create a Human Resources Legal Plan to demonstrate your understanding in this area.

You will search the Texas Administrative Code as it relates to the issues of *Hiring, Teacher Induction, Teacher Discipline* and *Teacher Dismissal*. For each of the four issues, you will then describe the policies and procedures that you will follow and/or put into place to ensure adherence to the law in these areas. As you begin to think about policies and procedures, consult

with your principal or district HR personnel to see what is already in place. Do not just list policies and procedures. Describe how you would implement them.

Evaluating and Grading

- **Discussion:** Each of the five *Discussion* questions provides a forum to dialogue with colleagues on a legal issue covered in each module.
- **Quizzes:** Each of the eight *Quizzes* consists of 10 true-false, fill-in-the-blank, multiple-answer, multiple-choice formatted questions to ensure prompt recall of basic school law facts and concepts.
- **Module Patterns Quizzes:** Each of the five Module Patterns Quizzes consists of between 1-3 multiple choice questions covering legal patterns discussed in each module.
- **Key Assessment:** Develop a Human Resources Legal Plan for the hiring and retention of qualified teachers along with two case studies/scenarios.

Assessment and Assignment Points

- Discussion 250 points: 5 posts @50 points each
- Quizzes 800 points: 8 quizzes @100 points each
- Module Patterns Quizzes 250 points: 5 quizzes @ 50 points each
- Key Assessment 300 points

Additional Course and University Information

Attendance/Participation

Active participation in class is paramount to your success in this course. The purpose of the course is to attain knowledge. Read the assigned chapters, supplementary materials, court cases, view the videos/presentations, and the like in preparation for class. Failure to submit all assignments may result in failing the course.

Candidates/Students are required to complete assignments within the timeframes established for each assignment. Attendance for this online course is determined by **logins to D2L** and timely completion of assignments.

Regular online participation is required. Please attend to discussion posts in a timely manner. Professional dialogue opportunities are part of this class; timely participation will be considered part of the grade.

Absence Policy for Online Courses

Because this is an online course, attendance will be taken in the form of your participation in discussions and submission of assignments. Failure to submit three (3) assignments on-time and/or submission of incomplete assignments are considered evidence of lack of dependability and are taken seriously. Candidates will receive a grade of F on the third missing or incomplete assignment based upon the discretion of Dr. Robles.

Instructor Drop

An instructor may drop a student any time during the semester for excessive absences, for consistently failing to meet class assignments, for an indifferent attitude, or for disruptive conduct. The instructor must give the student a verbal or written warning prior to dropping the student from the class. An instructor's drop of a student takes precedence over the student-initiated course drop of a later date. The instructor will assign a grade of either W or F through the first 8 weeks of a long semester, the first 6 weeks of a 10-week summer term, or the 11th class day of a 4 or 5-week summer term consisting of 20 days. After these periods, the grade will be an F. The date the instructor drop form is received in the Office of the Registrar is the official drop date.

Quality Requirements

"Turning in" all assignments is not enough to insure an "A" in the course. Quality of work turned in on time is the most important criterion for receiving an "A."

Expectations for Written Work

- Correct grammar, punctuation, and spelling are expected on all written assignments (although web discussions are not held to the high standard of a research project or other written assignment). APA style should be followed.
- All written work should be completed in a professional style. Using correct spelling and grammar are important writing skills you must know well because your students will learn from you. Therefore, all written assignments will have 10% -20% of the grade based on spelling and grammar. Expectations are for quality work.
- Written assignments should be done in Microsoft Word and turned in as an attachment on D2L.
- Discussions should be completed within the D2L discussion space and not uploaded as an attachment (unless defined by specific directions).
- Due dates should be honored in order to receive the highest score.
- When referring to the ideas of others, works should be cited using the APA format.

Adhering to Professional Ethics

When using professional sources in your writing, please cite sources you have used or ideas you have adapted when completing assignments. Use of copyrighted materials must adhere to legal and ethical guidelines. If part of an assignment is submitted for credit in more than one course, both professors must pre-approve this dual credit and the dual use should be referenced clearly on both assignments.

Mutual Respect

Remember that there are other human beings reading your postings, so treat everyone with respect. Do not post anything you would not be willing to communicate face to face. Distance conveys a degree of anonymity. It is for this reason that we must be cognizant of our postings online. Become familiar with the following guidelines regarding both online discussions and email messages.

- Use appropriate language. Excessive use of "chat" or "instant messaging" jargon is not acceptable for D2L discussions.

- Read existing follow-up postings and do not repeat what has already been said.
- Inappropriate and/or offensive language, especially comments that might be construed as racist or sexist, are not appropriate and will be dealt with on an individual basis.
- Be careful with humor and sarcasm. One person's humorous comment can be another person's rude or degrading remark.
- Do not use all caps in an online environment. Using all caps is considered SHOUTING.
- Use proper spelling, capitalization, grammar, usage, and punctuation. Utilize the Spell Check feature.

Submission of Assignments

All assignments must be submitted to the assignment page for this course in D2L or assigned third party software. A minimum of 5 points will be deducted for assignments not submitted through D2L or the assigned third party software.

Academic Misconduct Policy & Procedures

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individual's to whom credit is given). Additional guidelines on procedures in these matters may be found in the Office of Student Conduct. [Office of Student Conduct](#)

Extra Credit

No extra credit assignments will be given or accepted.

Late Work

Work should be turned in on the designated due date. This is especially important for discussion posts. If an emergency arises and you need additional time on an assignment that does not involve the participation of your peers, please reach out to Dr. Robles to make arrangements. Please note, points may be deducted.

Desire-to-Learn (D2L)

Extensive use of the MSU D2L program is a part of this course. Each student is expected to be familiar with this program as it provides a primary source of communication regarding assignments, examination materials, and general course information. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

Attendance

Online Computer Requirements

Taking an online class requires you to have access to a computer (with Internet access) to complete and upload your assignments. It is your responsibility to have (or have access to) a working computer in this class.

Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings. Computers are available on campus in various areas of the building as well as the Academic Success Center. Our online classes can be accessed from any computer in the world that is connected to the internet. Contact your instructor immediately upon having computer trouble. If you have technical difficulties in the course, there is also a student helpdesk available to you. The college cannot work directly on student computers due to both liability and resource limitations however, they are able to help you get connected to our online services. For help, log into [D2L](#).

Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the [Schedule of Classes](#) each semester.

Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid

(federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more details, please go to [Disability Support Services](#).

College Policies

Campus Carry Rules/Policies

Refer to: [Campus Carry Rules and Policies](#)

Smoking/Tobacco Policy

College policy strictly prohibits the use of tobacco products in any building owned or operated by WATC. Adult students may smoke only in the outside designated-smoking areas at each location.

Alcohol and Drug Policy

To comply with the Drug Free Schools and Communities Act of 1989 and subsequent amendments, students and employees of Midwestern State are informed that strictly enforced policies are in place which prohibits the unlawful possession, use or distribution of any illicit drugs, including alcohol, on university property or as part of any university-sponsored activity. Students and employees are also subject to all applicable legal sanctions under local, state and federal law for any offenses involving illicit drugs on University property or at University-sponsored activities.

COVID

Scientific data shows that being fully vaccinated is the most effective way to prevent and slow the spread of COVID-19 and has the greatest probability of avoiding serious illness if infected in all age groups. Although MSU Texas is not mandating vaccinations in compliance with Governor Abbott's executive orders, we highly encourage eligible members of our community to get a

vaccination. If you have questions or concerns about the vaccine, please contact your primary care physician or health care professional. Given the recent rise in cases, individuals are also strongly encouraged to wear facial coverings when indoors among groups of people, regardless of vaccination status. Although MSU Texas is not currently requiring facial coverings, they have been an effective strategy in slowing the spread.

Grade Appeal Process
