### Instructor Class Policies

Social networking media such as wikis, facebook, twitter, and other such media were created with the idea that the people using them want to share information and ideas. It is also true that there are real problems when sharing information in social networking media and these include crossing over between your social life, your academic life, and your professional life. Be proactive, and make sure you only share information that you feel is appropriate for an academic setting. The Google Classroom is private, and it is the responsibility of the entire class to keep it that way. Do not share your username or password for GAFE, just as you do not share your username and password for D2L, WebWorld, or your email.

Do not respond to emails that ask for your user name, password or other private information. The instructor, the College of Education, and the University will not ask for such information by email.

If you are participating in Facebook, Twitter, or other such media, you are welcome to include that information in your Digital Portfolio that you will complete as part of your coursework. However, you should check your privacy settings beforehand, and make sure that you use the grouping and privacy tools to share only the information you want to share with the class.

### Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the [Schedule of Classes](#) each semester.

### Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).

### Services for Students with Disabilities

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable accommodations to ensure equal opportunity for qualified persons with disabilities to participate in all educational, social, and recreational programs and activities. After notification of acceptance, students requiring accommodations should make application for such assistance through Disability Support Services, located in the Clark Student Center, Room 168, (940) 397-4140. Current documentation of a disability will be required in order to provide appropriate services, and each request will be individually reviewed. For more

details, please go to [Disability Support Services](#).
