### **Course Description**

This course surveys the art production throughout the world from the thirteenth century through the modern period. The student will acquire some basic skills for viewing, analyzing, and writing about art. We will examine the essential materials and techniques of art-making and investigate artworks in various times and cultures throughout the world. The course demonstrates how the artist's time, culture, and political and social environment shape art production and how art communicates multiple messages. Students will learn to conduct a formal analysis of an art object and to formulate interpretive strategies. The development of transferrable and life-long learning skills will be emphasized. The ability to read, think, and analyze critically will be modeled and practiced throughout the course. Students may give short presentations on images regularly in class.

### **Social Justice Defined**

Social justice is one of Midwestern State University's stated core values. The classroom is a place where students will treat and be treated with respect as human beings, regardless of their worldview, gender, race, ethnicity, national origin, religious or spiritual affiliation or lack thereof, sexual orientation, political beliefs, age, or ability. Diversity of thought is the keystone of effective intellectual and academic pursuits. The expression of differences of opinion is valued and encouraged.

### **Code of Student Conduct: Student Honor Creed**

As students at MSU, we recognize that any great society must be composed of empowered, responsible citizens. We also recognize universities play an important role in helping mold these responsible citizens. We believe students themselves play an important part in developing responsible citizenship by maintaining a community where integrity and honorable character are the norm, not the exception.

Thus, we, the students of Northwestern State University, resolve to uphold the honor of the University by affirming our commitment to complete academic honesty. We resolve not only to be honest but also to hold our peers accountable for complete honesty in all university matters.

We consider it dishonest to ask for, give, or receive help in examinations or quizzes, to use any unauthorized material in examinations, or to present, as one's own, work or ideas which are not entirely one's own. We recognize that any instructor has the right to expect that all student work is honest, original work. We accept and acknowledge that responsibility for lying, cheating, stealing, plagiarism, and other forms of academic dishonesty fundamentally rests within each individual student.

We expect of ourselves academic integrity, personal professionalism, and ethical character. We appreciate steps taken by University officials to protect the honor of the University against any who would disgrace the MSU student body by violating the spirit of this creed.

Written and adopted by the 2002-2003 MWSU Student Senate

## **Academic Dishonesty Policy & Procedures:**

Appendix E (Page 119 - 2015-2016 MWSU Student Handbook)

Academic Dishonesty: Cheating, collusion, and plagiarism (the act of using source material of other persons, either published or unpublished, without following the accepted techniques of crediting, or the submission for credit of work not the individual to whom credit is given). Additional guidelines on procedures in these matters may be found in the Office of Student Conduct.

The term "cheating" includes, but is not limited to: (1) use of any unauthorized assistance in taking quizzes, tests, or examinations; (2) dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments; or (3) the acquisition without permissions, of tests or other academic material belonging to a member of the university, faculty, or staff.

The term "plagiarism" includes, but is not limited to, the use by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgement. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials.

The term "collusion" means collaboration with another person in preparing work offered for credit if that collaboration is not authorized by the faculty member in charge.

## **Attendance, Absence, and Lateness:**

- THREE late arrivals count as a single absence.
- Students may be absent from class THREE times without penalty and without providing any documentation regarding the absence.
- **If students incur a FOURTH absence, their final course evaluation will be reduced by a full letter grade.**
- **If students are absent or late FIVE times, whatever the reason, they will receive a FAILING GRADE, be dropped from the class roll, and be asked to stop attending class.**

Faculty members have the discretion to make exceptions to this policy based on individual circumstances.

## **Classroom Environment and Expected Standards of Conduct**

As a member of this class, you are part of a community. As such, you have made a commitment to yourself, to me, and to the other students enrolled in the course. If you come unprepared, are late to class discussion, or initiate side conversations, you disrupt our work together. Please show respect for yourself and others by coming to class prepared and on time. Respect and dignity are course requirements as important as those listed earlier in the syllabus. Demonstrating respect for the process of learning, for the variety of cultures and worldviews discussed, and for your role and contribution to the course are critical components of your commitment to this class. Comporting yourself with dignity and treating your classmates and professor in a similar manner are additional important expectations of every student.

- Bring the syllabus, assigned texts, and other assigned materials to every class session.
- Come prepared to every class session with notes and questions about assigned materials.
- Participate actively in class discussions and group work.
- **Take notes during class sessions. Failure to take notes will affect your engagement and contribution grade.**
- Turn cell phones off before entering the classroom. Do not text message or use your telephone in class unless instructed to do so by the professor.
- **You may NOT sit in the classroom before class begins and use your cell phone. Review your notes instead! When you enter the classroom, you begin academic work.**
- If you use your phone in class, you will be asked to leave and earn an absence.
- **I will not tolerate private conversations in the classroom.** Side conversations distract me and all other class members. If you need something clarified, ASK!
- When you are absent, it is YOUR responsibility to contact class members and learn what you missed.

## **Special Needs**

Please let me know by the second session if you have learning or physical challenges that require accommodation.

## **Student Privacy**

Federal law prohibits the professor from releasing student information to outside parties without the student's signed consent. The professor will not discuss students' academic progress or other matters with parental units.

## **Academic Honesty**

Plagiarism is stealing and cheating. If you use another's thoughts or words, you must footnote them. If you paraphrase, (rewrite another's material in your own words) you must footnote the source. You may not copy a single sentence, etc., from another source and present it as your own. Intentional plagiarism, meaning the use of text(s) from a printed or Internet source, will result in a failing grade for the course. Plagiarism by default, meaning the use of ideas from texts without citation, will result in a failing grade for the specific project. Read the University's policies in the current Midwestern State University Student Handbook. **You may NOT cut and paste from the Internet for your research presentation.**

**Written Work: The following guidelines apply to all submitted work including complete drafts.**

- YOU ARE REQUIRED TO USE MICROSOFT WORD FOR ALL WRITTEN ASSIGNMENTS.
- YOU ARE REQUIRED TO USE POWERPOINT FOR ALL PRESENTATIONS.
- Written work must be submitted electronically BEFORE class on the due date – as Microsoft Word documents, saved with the file extension.doc or .docx OR as compressed JPEG scans or PDFs. **Assignments will be delivered via D2L ONLY.** No paper copies are necessary.
- You are required to upload all written work and images to the class D2L site **in advance of the due date.**
- Computer malfunctions will not be accepted as an excuse for lateness – it is your responsibility to ensure that your professor receives your work in a timely manner.
- **You MAY NOT use the Internet for research assignments**, unless I give express instructions to the contrary. Unauthorized use of Internet sources will result in a failing grade.
- Research entails a visit to the library, course reserves, and library databases.
- Using library databases are the recommended method of research and an appropriate use of the Internet.
- I WILL NOT ACCEPT LATE WORK for any reason and late work will receive a failing grade.
- DO NOT EXPECT ME TO DO YOUR WORK! A fulfilled assignment is not simply sending me an email. You must present the paper copy of all assignments IN CLASS or in my mailbox in paper form.

**Departmental Policy for Gallery Openings (Revised 2013)**

Students enrolled in studio or art history courses must attend every gallery opening.

At every gallery opening, the student will receive a comment sheet.

During each opening, the student must fill out and submit the comment sheet.

If the student cannot attend the gallery opening, they must meet following requirements:

The student must write a paper on the artist exhibited in the Juanita Harvey gallery.

The paper should emphasize the student's reaction to the work.

The paper must be formatted in Times New Roman, 12pt font, and be double-spaced.

The paper must consist of 500 words.

The paper must be submitted to the art office one week after the exhibition opening.

If the exhibition extends past the final class day of the semester, the paper will be due one week before the final class day of the semester. If a student does not attend the show nor submit a paper, their final grade will be dropped 3.3% per gallery opening.

If a student misses all of the gallery openings and does not write a paper for each required exhibition, the student's final grade will be dropped by 10%.

**Mandatory Exhibitions and Field Trips for Spring 2023:**

Mandatory exhibitions will be announced in class as well as mandatory field trips.

**Conduct Statement**

Behavior that interferes with either the instructor's ability to conduct the class or the ability of other students to benefit from the instruction will result in the instructor removing the disruptive student(s) from the class, either temporarily or permanently (instructor drop), and receive a final lower grade, up to an including an F. In addition, and depending upon the nature of the behavior or conduct, the student(s) may be subject to further disciplinary actions as per MWSU policies.

### **HSOVA Computer Lab (C115F) Policy: Adopted Fall 2018**

The Computer Lab C115F is a MSU and HSOVA facility shared by all currently enrolled HSOVA students, faculty, adjuncts, and Resident Ceramic Artists. The Computer Lab schedule is posted every semester near or on the C115F door. The schedule indicates when the lab is used for teaching purposes and when it is available for student and faculty use. No one is allowed to enter C115F when class is in session, except students enrolled in that class. The lab is available on a first come, first served basis during non-class session periods. Other important computer lab policies include: 1) no food or drink is allowed inside the lab, 2) the door must never be propped open under any circumstances, unless initiated by faculty.
