If you have a major event such as a death in the family, illness, hospitalization, or other extenuating circumstances, email the professor as soon as possible before the scheduled due date. Extensions are granted on an individual basis. NOTE: waiting until the last minute to submit an assignment does not constitute an extenuating circumstance.

### **Technical Difficulties**

On occasion, you may experience problems with accessing D2L, accessing class files located within D2L, connecting with your internet service, or you may encounter other computer related problems. Make the professor aware of a technical problem as soon as possible. Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.**
