- Remind App on your phone

### ***Attendance:***

**ATTENDANCE IS MANDATORY!** Students are required to attend all class meetings and attendance is documented at the beginning of each class period. Attendance and class participation are deemed essential. Students are advised to plan carefully regarding appointments and/or work schedules to avoid missing class. Each student is allowed up to 3 absences to deal with any emergency which might occur throughout the semester. Any student who misses more than 3 classes will risk having their letter grade dropped by 1 letter at the end of the semester no matter how many points the student has earned. An additional letter grade will then be dropped for each absence following 4. 4 absences= 1 letter grade, 5= 2 letter grades, 6= 3 letter grades, 7= 4 letter grades. Students are required to keep track of their own attendance and are responsible for knowing how many absences they have incurred. A student that arrives to class 25 or more minutes late will be counted as absent.

Some assignments are experiential in nature and are only completed in class. If a student is absent from class on the day when one of these assignments are completed in class, they will automatically forfeit any points which might have been earned for the assignment. Personal emergencies that arise will be dealt with on an individual basis. Emergencies that result in a student missing multiple classes should be reported to the instructor and the Dean of Students Office.

### ***Academic Misconduct:***

Midwestern State University operates under the Student Honor Creed which states, “*As an MSU Student, I pledge not to lie, cheat, steal, or help anyone else do so.*” The full Student Honor Creed can be found online <https://msutexas.edu/student-life/conduct/>

### ***Diversity Statement:***

Tutoring and Academic Support embraces a notion of the intellectual community enriched and enhanced by diversity along a number of dimensions, including race, ethnicity and national origins, gender, sexuality, class and religion. We strive to create an environment that celebrates differences, respects diversity, provides equity for opportunities, and fulfills the potential of everyone.

### ***Documented Disability:***

- In compliance with the Americans with Disabilities Act (ADA), academic accommodations are made for any student with a documented disability. Students should register with Disability Support Services. More information can be found here: <https://msutexas.edu/student-life/disability/>
- Requests for accommodation are acceptable at any time during the semester, but you are encouraged to contact me in person, or via email, as early as possible.

### ***Other Classroom Considerations:***

- Assignments not submitted in class due to an excused absence must be turned in the following class period. If you are unable to attend class and an assignment is due that day, it is your responsibility to get the assignment to your instructor PRIOR to class that day.
- I understand that cellphones are an important appendage to us all. Be courteous to me and to your peers, and don't let them become a distraction.
- Other topics may be added by the instructor; changes and modifications to the syllabus may be made throughout the semester, but you'll be notified promptly.
- Extra credit opportunities will be given throughout the semester in addition to the opportunities noted in the course outline below at the instructor's discretion. All extra credit opportunities will be worth **10 points each**.
- Written reports are to be typed in a 12-point font and double-spaced.

*Since the success of this course relies on our ability to successfully and maturely communicate goals and opinions, the instructor and students will observe mutual respect and consideration.*

## ***Course Requirements and Points: (1000 Total Points Possible)***

### ***Grades:***

The basis for the final grade will be the average of assignments, projects, tests, and participation. In other words, everything a student does in and for class counts. Students must demonstrate competency in writing through journal entries and other written work, in oral communication through class presentations and participation, and computer competency through specified assignments. Grades will be as follows: (A) 900-1000, (B) 800-899, (C) 700-799, (D) 600-699, and (F) 599 and below.

**B** = 899-800 points

**C** = 799-700 points

**D** = 699-600 points

**F** = 599-0 points

### ***Due Dates:***

All assigned work will be due at the beginning of class on the dates specified. No late work will be accepted unless specific arrangements have been made with the instructor in advance. A missed assignment will be eligible for makeup only due to an officially excused absence with \*proper\* documentation provided, and must be scheduled the day the student returns to class. It is the student's responsibility to stay current with class activities and assignments. If documentation is provided as to the reason for the absence and the absence is excused in accordance with university policy, the student must request the missed work/materials the first class after they return.
