Learning Objectives:

LO1. Students will demonstrate characteristics and skills of an effective counselor with clients in clinical counseling settings including essential interviewing, counseling, and case conceptualization skills.

LO2. Students will provide ethical, multicultural counseling services to clients at the internship site.

LO3. Students will learn about the role of the counselor in an agency setting including roles and responsibilities, collaboration with colleagues in treatment planning, self - evaluation, and supervision.

LO4. Students will develop a personal model of counseling which includes a theoretical orientation and advanced techniques for change.

LO5. Students will demonstrate effective management of crisis and emergency management as well as agency and community wide management of crisis and emergency situations.

Focus of the Course: The focus of this course is to help students apply learning from their counseling courses with real clients at the counseling site of their choice. Students will learn about the role of the counselor through work with actual clients, collaboration with other co-workers and interns, and supervision with their site supervisor and university supervisor. The aim of this course is to help students grow into the role of an ethical, culturally competent counselor in order to best help the clients meet their counseling and mental health goals.

Assessments:

Student performance of knowledge and skills will be formally assessed through:

Discussion Board Posts: (20 points) 3.I.J, 3.I.K, 3.I.L, 3.M, 3.B, 1b, 1c, 1g, 1i, 1j, 1k, 1l, 1m, 2a, 2b, 2c, 3f, 3i, 4a, 5a, 5c, 5d, 5e, 5f, 5g, 5j, 5k, 5m, 5n, 6b, 6d, 7e, 9.1b, 9.2b, 9.2k, and 9.2l. Students must answer the weekly Discussion Board Question in

three academic paragraphs (which include five sentences each) by **Friday** and comment on at least one other person's response by **Sunday**. The discussion board posts are due by Sunday at 11:59 pm at the end of each week.

Session Video: (20 points) KPI 1k, 2c, 4a, 5a, 5f, 5g, 5j, 5n, 7e, 9.1b, and 9.2b. Students will conduct one 45-minute counseling session with a client by video. A pre-observation conference must be held with the university supervisor at least 24 hours before the video session is conducted. The university supervisor will provide feedback to the student using the MSU Counseling Skills Observation Form during the post-observation conference. Any skills' strengths and deficits will be addressed in the post-observation conference following the observed session, in addition to the rating form. Students and site supervisors will receive a copy of the rating form.

Reflection Paper: (20 points) KPI 1.k., 2.a., 2.c., 3.f., 4.a., 5.a., 5.j., 9.1.b. Students are required to write a reflection paper on the counseling video session using the template. Please use the Live Interview Evaluation to reflect on your performance. Address all areas listed on the Live Interview Evaluation. APA 7 style is required, including a cover page and reference page. No abstract is required.

COMPS: (25 points) Students are required to pass a comprehensive exam as a program completion requirement. The exam will help students prepare for their National Counselor Exam (NCE). The questions will come from the textbook.

Hour Logs/Evaluations/Participation: 1m, and 5c. (15 points) Students are required to obtain 300 total (120 direct counseling hours and 180 indirect hours) in each internship semester for a total of 600 (240 direct hours and 360 indirect hours). Students will receive weekly supervision on-site, and an average of 1.5 hours of group supervision in class. Logs will be turned in at the end of each semester. Please note that students cannot graduate until all hours have been earned and documented. Hours not earned will result in major grade decreases. Mid-Term and Final Evaluations are also required. These evaluations will be completed by your supervisor and university supervisor at midterm and at the end of the semester. Students are responsible for making sure evaluations are turned in on time. The instructor will consult with the site supervisor(s) on a consistent basis, to include the counseling student in the consultation whenever possible. Also taken into consideration is the student's conduct at his/her site(s) (i.e. absences, tardiness, professional demeanor and dress, ability and willingness to receive criticism and feedback). **YOU CANNOT MOVE ON TO GRADUATION WITHOUT SATISFACTORY EVALUATIONS FROM SITE SUPERVISORS AND THE UNIVERSITY SUPERVISOR.**

Mid-Term Evaluation & Final Evaluation: These grades will be based on your mid-term and final evaluations from your site supervisor, as well as your university supervisor. Satisfactory performance at the site is required for the entirety of the semester.

Participation, Attendance, and Professionalism: Students must attend **EVERY** class. This is an interactive, "hands-on" class that will require your energy, focus,

and respectful participation. Students will meet once a week for the duration of the semester. Please see calendar below for specific class dates. Any classes missed will require a make-up class. If students do not make up the session, their hours will not count for the week of missed supervision. It is imperative that students receive supervision throughout the semester, and it is a CACREP requirement. Student presentations count as part of the participation grade. Students will also present on cases weekly. Please consider that it is a learning experience for all class members to learn from one another, therefore students are required to give feedback to others. Students are expected to act in the role of a professional consultant at this stage of development in the program. Students will bring cases to each class meeting and be prepared to discuss the cases, maintaining client confidentiality. Students will be prepared to participate in group sessions during class meetings. These sessions will be of a personal growth nature. Participation in the group process will be noted on the final grade.

Counseling Expectations:

The Clinical Mental Health Counseling Program, its faculty, and its students adhere to the University Code of Conduct, State of Texas licensure laws and regulations, and the American Counseling Association's Code of Ethics (2014). The program has a professional responsibility to ensure that all students display ethical, professional, and personal behaviors that comply with these guidelines. Students are strongly encouraged to review, understand, and consult the [American Counseling Association website](#) for details related to these guidelines.

Attendance Policy: This class is held once a week on Tuesday evenings. All classes will be held through Zoom at 5:30 pm. Please download the app, or follow the link. Technical difficulties are not an excuse to miss class. There are computers with Wi-Fi on campus. Please plan your semester accordingly.

Classroom Behaviors: Department of Counseling students are expected to demonstrate appropriate classroom behavior, consistent with their counselor-in-training roles. Counselors-in-training are expected to convey attentiveness and respect in all professional and classroom settings.

Netiquette: It is expected that students use formal, professional language when corresponding online. It is expected that you use complete sentences, address one another with respect, follow the American Counseling Association *Code of Ethics* (2014), and treat all members of the class with respect.

Late Assignments: All papers and assignments must be turned in the day they are due. **No exceptions.** If you have an emergency, please let me know in advance, and/or email me your assignment the same day it is due. If assignments are late, a 10% deduction will be made to your grade. There will be no exceptions to this, except in the case of a documented emergency.

Academic Dishonesty: Students at Midwestern State University are an essential part of the academic community and enjoy substantial freedom within the framework of the educational objectives of the institution. The freedom necessary for learning in a community so rich in diversity and achieving success toward our educational objectives requires high standards of academic integrity. Academic dishonesty has no place in an

institution of advanced learning. It is each student's responsibility to know what constitutes academic dishonesty and to seek clarification directly from the instructor if necessary. Examples of academic dishonesty include, but are not limited to:

- Submission of an assignment as the student's original work that is entirely or partly the work of another person.
- Failure to appropriately cite references from published or unpublished works or print/non-print materials, including work found on the World Wide Web.
- Observing or assisting another student's work.
- Multiple Submissions - Submitting a substantial portion or the entire same work (including oral presentations) for credit in different classes without permission or knowledge of the instructor.

Academic Honesty:

MSU students demand of themselves the highest level of academic honesty as delineated in their honor creed. Academic honesty involves the submission of work that is wholly the student's own work, except in the case of assigned group work. Additionally, academic honesty involves the proper citation of other author's works.

Confidentiality: Internship is a lab-type class that will require students to work with actual clients, therefore they are bound by confidentiality rules that are standard to the law and profession. Students are expected and required to maintain confidentiality about class discussions. Failure to do so will result in a referral from program faculty for remediation. Students who do not complete assignments, who do not attend class, who do not complete assignments before established deadlines, or who conduct themselves inappropriately in class are subject to experiencing a reduction of the total possible professional points possible, which could result in remediation or failure of the class.

Respect for Diversity: It is my intent to present material and activities that are respectful of diversity. It is also my intent that students from all perspectives and diverse backgrounds be well-served by this course, that students' learning needs be addressed both in and out of class, and that the diversity that students bring to this class be viewed as a resource, strength, and benefit. Your suggestions about how to improve the value of diversity in this course are encouraged and appreciated.

Senate Bill 11:

Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to the University's webpage at: [Campus Carry](#).

Ethics: All students are required to adhere to the American Counseling Association Code of Ethics <https://www.counseling.org/Resources/aca-code-of-ethics.pdf>. Students

must also follow university policies and ethical standards at all times. Please consult the MSU Student Handbook for student conduct standards.

Disability Support Services:

As the faculty of the West College of Education, we are dedicated to helping meet the needs of our candidates with disabilities and are eager to provide the accommodations to which such students are entitled. If you have a documented disability and are registered with the Office of Disability, please let me know to expect a letter from that office describing the accommodations to which you are entitled. If you have a documented disability but are not registered with the Office of Disability, please contact that office immediately to register.

Midwestern State University is committed to providing equal access for qualified students with disabilities to all university courses and programs, and by law all students with disabilities are guaranteed a learning environment that provides reasonable accommodation of their disability. This guarantee is provided through Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act. The ADA reads: "No qualified individual with a disability shall, by reason of such disability, be excluded from participation in or be denied the benefits of the services, programs, or activities of a public entity, or be subject to discrimination by any such entity." The Director of Disability Support Services serves as the ADA Coordinator and may be contacted at (940) 397-4140, TDD (940) 397-4515, or 3410 Taft Blvd., Clark Student Center 168.

COVID: Scientific data shows that being fully vaccinated is the most effective way to prevent and slow the spread of COVID-19 and has the greatest probability of avoiding serious illness if infected in all age groups. Although MSU Texas is not mandating vaccinations in compliance with Governor Abbott's executive orders, we highly encourage eligible members of our community to get a vaccination. If you have questions or concerns about the vaccine, please contact your primary care physician or health care professional. Given the recent rise in cases, individuals are also strongly encouraged to wear facial coverings when indoors among groups of people, regardless of vaccination status. Although MSU Texas is not currently requiring facial coverings, they have been an effective strategy in slowing the spread.

Ethics: For further information about Midwestern State University's policies regarding student ethics and conduct, please contact 940-397-4135 (Student Support Services).

Special Notice: Students whose names do not appear on the class list will not be permitted to participate (take exams or receive credit) without first showing proof of registration (Schedule of Classes and Statement of Account).

Campus Carry: Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to the

University's webpage at: [Campus Carry](#). As this is an online class, this policy should not apply, but please familiarize yourself with this and other campus policies.

Limited Right to Intellectual Property: By enrolling in this course, the student expressly grants MSU a "limited right" in all intellectual property created by the student for the purpose of this course. The "limited right" shall include but shall not be limited to the right to reproduce the student's work product to verify originality and authenticity, and for educational purposes.

Midwestern State University Mission Statement: MSU is a leading public liberal arts university committed to providing students with rigorous undergraduate and graduate education in the liberal arts and the professions. Through an emphasis upon teaching, augmented by the opportunity for students to engage in research and creative activities alongside faculty and to participate in co-curricular and service programs, Midwestern State prepares its graduates to embark upon their careers or pursue advanced study. The university's undergraduate education is based upon a comprehensive arts and sciences core curriculum. The understanding that students gain of themselves, others, and the social and natural world prepares them to contribute constructively to society through their work and through their private lives.

Midwestern State University Values:

1. Excellence in teaching, learning, scholarship, and artistic production
2. Intellectual curiosity and integrity
3. Critical thinking
4. Emotional and physical well-being
5. Mutual respect, civility, and cooperation
6. Social justice
7. Civic service
8. Stewardship of the environment, and of financial and human resources
9. A safe, attractive, and well-designed campus

Midwestern State University Counseling Program Objectives:

- Reflect current knowledge and projected needs concerning counseling practice in a multicultural and pluralistic society
- Reflect input from all persons involved in the conduct of the program, including counselor education program faculty, current and former students, and personnel in cooperating agencies
- Address student learning
- Written so they can be evaluated

Reflection Paper and Live Interview (20 pts.) Please turn in this assignment to Tk20 link as well as D2L.

Please evaluate your performance overall throughout the semester using the following rubric and paper outline. Your paper must be in APA 7 format. Assignment will include: 1. APA Style Cover Page, 2. Live Interview Evaluation Rubric, 3. Paper analyses (see questions below), 4. References (Please ignore regular APA requirements about tables etc. to insert the Live Interview Evaluation Rubric). Answer all self-reflection questions in the Live Interview Evaluation in sentence form (no lists). I will then evaluate you based on how you evaluate yourself, based on your observation, and based on your evaluations from supervisors. The rubric I will use to evaluate you is below. There is no page requirement, but please use APA 7 Style.
