This course requires the use of **D2L** for class records and communication. The instructor will use students' D2L email addresses to send grades and other important information. Each student is expected to be familiar with this program and should regularly check D2L and their D2L-hosted email for updates and course communications. You can log into [D2L](#) through the MSU Homepage. If you experience difficulties, please contact the technicians listed for the program or contact your instructor.

### **Attendance**

Students are expected to attend all meetings of the classes in which they are enrolled.

Students enrolled in the Juanita and Ralph Harvey School of Visual Arts must comply with the following department-wide Attendance and Lateness Policy:

- Students arriving after class begins will be considered late, and ten minutes after will be counted absent.

- THREE late arrivals count as a single absence.
- Students may be absent from class THREE times without penalty and without providing any documentation regarding the absence.
- If students incur a FOURTH absence, their final course evaluation will be reduced by a full letter grade.
- If students are absent or late FIVE times, whatever the reason, they will receive a FAILING GRADE, be dropped from the class roll, and be asked to stop attending class.

\*Faculty members have the discretion to make exceptions to this policy based on individual circumstances.

### **Additional Attendance and Related Policy**

Students are responsible for obtaining any information or materials missed during absences. To qualify for an excused absence, students must provide official documentation, such as a doctor's note, an obituary, or a letter from the [Dean of Students](#) or another instructor

➤ **If a student does not attend the show or write a paper their final grade will be dropped 3.3% per gallery opening.**

➤ **If a student misses all 3 of the gallery openings and does not write a paper for each of them to make it up the student's final grade will be dropped by 10%.**

### **Weather Closure Policy**

In the event of a campus closure due to inclement weather, this class will be canceled. If an assignment due date falls on a day when the campus is closed, the due date will be postponed to the next class session after the campus reopens. For updates and further instructions, please check D2L regularly.

### **Online Computer Requirements**

It is your responsibility to have (or have access to) a working computer in this class. **\*Assignments and tests are due by the due date, and personal computer technical difficulties will not be considered a reason for the instructor to allow students extra time to submit assignments, tests, or discussion postings.** Computers are available on campus in various areas of the buildings as well as the Academic Success Center. **\*Your computer being down is not an excuse for missing a deadline!**

There are many places to access your class! Our online classes can be accessed from any computer in the world that is connected to the internet. Contact your instructor immediately upon having computer trouble. If you have technical difficulties in the course, there is also a student helpdesk available to you. You are expected to include a disclosure statement for each assignment describing which AI tool you used and how you used it. For example, "*ChatGPT was used to provide revision assistance. AI-produced content was edited for accuracy and style.*" Your use of AI tools must be properly documented and cited for academic integrity.
