Tentative Course Schedule

Assignments are due by 11:59PM CST CLASS ACTIVITIES AND ASSIGNMENTS

Class Participation and In-class Projects-10%:

- Each student is expected to participate in class discussions on each topic. The quality, relevancy, and consistency of participation will be evaluated by the course faculty. Timeliness in attending class and submitting assignments will also be considered.

Faculty Recruitment Plan-20%:

- Formulate a plan for the recruitment of one (1) full-time faculty member for the upcoming fall Semester. You have \$3,500 budgeted for the entire recruitment process, and you may not exceed your budget. Requirements include but are not limited to:
 - 1) Narrative, describing in detail, all recruitment procedures including advertisement plan, screening procedures, schedule of on-campus interview activities, interview questions, rating scales, and the selection process.
 - 2) Recruitment cost analysis to include travel, lodging/meals, advertisement, postage, and any other expenses.
 - 3) Layout and content of the ad, projected date of ad publication, and rationale for decisions regarding ad placement, circulation, target audience, etc.
 - 4) Project time-table for all activities involved.

Hints: You may wish to interview a program director who has had experience in faculty recruitment prior to finalizing your plan. Do not use fictional accounting - all costs must be factual. For example, if advertising in a specific journal or publication, include the size of the ad and the actual cost of placing it. Report actual dates of publication. Include any other details in your plan you think are appropriate. The assignment is to have a standard cover page, be typed, double-spaced, and submitted in one file electronically as a Word document.

JRCERT Standards Project-10%:

- Students will review JRCERT Standards for an Accredited Educational Program in the Radiological Sciences (or other modality). Students will write a report identifying the strengths (pros) and/or weaknesses (cons) for each of the six (6) Standards. In addition, students will justify why they agree or disagree with each Standard. The JRCERT Standards Project is to be submitted electronically as a Word document.

Scholarly Paper-30%:

- Each student will develop and write a term paper that focuses on some issue related to any aspect of Education in the Radiologic Sciences. The paper must have a standard cover page, be typed, double-spaced, and a maximum of 5-10 pages excluding the title page, abstract, and reference list. Only references from peer-reviewed resources in the last five years may be used. The font size should not exceed 12. The entire paper must be in APA format. It is to be submitted electronically as a Word document all in one file.

Interview Project -20%:

Each student will complete the Interview Project with the following:

Goals and objectives: During this project, the student will:

- Create a Word document of questions suitable for a higher education job interview to be used for an in-classroom mock interview.
- Perform and participate in a mock interview
- Demonstrate a 5-minute teaching lesson on an xray positioning exam to be presented in class for peer review
- Create a curriculum vitae (CV) with no teaching experience
- Create a teaching philosophy

ROUND TABLE DISCUSSION

Honor System:

RADS 5223 adheres to the MSU Code of Student Conduct. In particular, academic dishonesty, however small, creates a breach in academic integrity. A student's participation in this course comes with the expectation that his or her work will be completed in full observance of the MSU Code of Student Conduct. A student should consult the 2006-2008 MSU Student Handbook for answers to any questions about the code.

Some components of RADS 5223 are designed to be highly interactive, with students helping each other learn; however, all written assignments are designed to represent the efforts of each student individually and not to be shared. When students submit their efforts for grading, they are attesting that they have abided by this rule.

Plagiarism:

By enrolling in this course, the student expressly grants MSU a "limited right" to all intellectual property created by the student for the purpose of this course. The "limited right" shall include but shall not be limited to the right to reproduce the student's work product in order to verify originality and authenticity and for educational purposes.

Attendance:

You must be present for both weekends in order to receive a passing grade in this course. Incompletes are not awarded for non-attendance. There are no exceptions to this policy.

Administrative Process:

Unresolved issues related to this course should be first addressed between the student and the course instructor. If there is no resolution, students must follow this sequence:
Interim Department Chair – Dr. Lynette Watts (940) 397-4833
College Dean – Dr. Jeff Killion 940 397-4594

Special Needs:

In accordance with Section 504 of the Federal Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990, Midwestern State University endeavors to make reasonable adjustments in its policies, practices, services, and facilities to ensure equal opportunity for qualified persons with disabilities to participate in all educational programs and activities.

The Office of Disability Services (ODS) provides information and assistance, arranges accommodations, and serves as a liaison for students, instructors, and staff. The ODS has assistive devices such as books on tape, recorders, and adaptive software which can be loaned to qualified individuals. A student/employee who seeks accommodations on the basis of disability must register with the Office of Disability Services in the Counseling Center, Clark Student Center, Room 108. Documentation of Disability from a competent professional is required.

Individuals with grievances related to discrimination or lack of accommodation on the basis of a disability are encouraged to resolve the problem directly with the area involved. If the matter remains unresolved, the Office of Disability Services will provide advice and/or assistance. The grievance procedure may be found in the Student Handbook and Activities Calendar.

The Director of the Counseling Center serves as the ADA Coordinator and may be contacted at (940) 397-4618, TDD (940) 397-4515, or 3410 Taft Blvd., Clark Student Center Room 108.

Concealed Carry:

Senate Bill 11 passed by the 84th Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. For more information regarding campus carry, please refer to the University's webpage at <http://Midwestern State University Campus Carry Rules and Policies>.
