

Curriculum Vitae
Robert J. Comello, M.S., R.T. (R) (CDT)

Current Title

Associate Professor
Radiologic Sciences Department
College of Health Sciences and Human Services
Midwestern State University

Educational and Professional Certifications

Master of Science (Educational Technology): Lehigh University, 2001.

Certified Densitometry Technologist: International Society of Clinical
Densitometry, 2000.

Master of Science (Organizational Management): College Misericordia, 1990.

Associate of Applied Science (Radiologic Technology): College Misericordia, 1984.

Bachelor of Science (Health & Physical Education): East Stroudsburg University,
1979.

Associate of Science (Recreation & Physical Education): Luzerne County
Community College, 1977.

Professional Experience

Associate Professor, Radiologic Sciences, Midwestern State University,
Wichita Falls, TX, 2009 - present.

Assistant Professor, Radiologic Sciences, Midwestern State University,
Wichita Falls, TX, 2002 –2009.

Registered Radiologic Technologist, Mercy Health Systems, Wilkes-Barre, PA,
2001-02.

Assistant Professor, Medical Imaging Program, College Misericordia, Dallas, PA,
1990-2001.

Instructor, Medical Imaging Program, College Misericordia, Dallas, PA, 1987-90.

Registered Radiologic Technologist, Northeastern Hospital, Philadelphia, PA, 1986.

Field Operations Coordinator, Portable Diagnostics, Pennsauken, NJ, 1985-86.

Chief Technologist, Pocono Ambulatory Care and Emergency Center, Blakeslee, PA, 1985.

Mental Health Technician, Luzerne/Wyoming Counties Mental Health, Wilkes-Barre, PA, 1980-85.

Substitute Teacher, Wilkes-Barre Area School District, Wilkes-Barre, PA, 1979-80.

Teaching Responsibilities

Midwestern State University

RADS 1413-01 Basic Radiographic Procedures
 RADS 1413-1A Basic Radiographic Procedures Laboratory
 RADS 1413-1B Basic Radiographic Procedures Laboratory
 RADS 1413-1C Basic Radiographic Procedures Laboratory
 RADS 1413-1D Basic Radiographic Procedures Laboratory
 RADS 1423-01 Intermediate Radiographic Procedures
 RADS 1423-1A Intermediate Radiographic Procedures Laboratory
 RADS 1423-1B Intermediate Radiographic Procedures Laboratory
 RADS 1423-1C Intermediate Radiographic Procedures Laboratory
 RADS 1423-1D Intermediate Radiographic Procedures Laboratory
 RADS 2012x20 Introduction to Radiologic Science and Medical Terminology
 RADS 2112x1 Radiation Biology and Protection
 RADS 2112x2 Radiation Biology and Protection
 RADS 2711x1 Radiographic Pathology
 RADS 2711x2 Radiographic Pathology
 RADS 2232x11 Advanced Medical Imaging
 RADS 3023x21 Advanced Medical Imaging Science (BSRS)
 RADS 3034 – 11C Basic Radiographic Procedures Laboratory
 RADS 3203x1 Pathophysiology
 RADS 3213x2 Advanced Clinical Practice Skills
 RADS 3243-210 Patient Care
 RADS 3503x2 Research
 RADS 3773x1 Radiobiology
 RADS 3833x1 Bone Densitometry
 RADS 4232x10 Advanced Imaging Modalities
 RADS 4513x12 Administration and Supervision of Diagnostic Imaging
 RADS 4633x10 Continued Quality Improvement in Diagnostic Imaging
 RADS 4643x2 Health Law in Medical Imaging
 RADS 4733x10 Sectional Anatomy
 RADS 4903x11 Special Topics
 RADS 4913x1 Applied Research

College Misericordia (now Misericordia University)

MI 106 Medical Terminology
 MI 112 Methods of Patient Care
 MI 140 Clinic I
 MI 160 Clinic II
 MI 206 Diagnostic Assessment
 MI 214 Radiation Biology & Protection
 MI 225 Clinic III
 MI 253 Pathology
 MI 245 Clinic IV
 MI 260 Clinic V
 MI 265 Clinic VI
 MI 276 Clinic VII
 MI 415 Senior Seminar

Research and Scholarly Activities

Scholarly activity

Research

Was involved with a student do a research project for the 2018 Celebration of Scholarship. The research topic was: The Detection of Child Abuse in Medical Imaging. I advised my student on her data collection and presentation format. My student received a first place award for her efforts.

Publications

Book Contributions

Merrill's Atlas of Radiographic Positioning and Procedures 12th edition. By Gene Frank et al. Cites my original research and description of landmarks for positioning lateral scapula and scapular Y projections.

Grant Writing

Midwestern State University Faculty Research Grant. Budget \$2695. Research study to focus on radiation dose trends and radiographer perceptions and responsibilities with regards to these trends. Funded 2009.

American Society of Radiologic Technologists Educational and Research Foundation.

International Speakers Exchange Grant. Grant to provide funds for registration, airfare, lodging and incidentals. Total amount of funds is determined by conference location. 2011 locations include Manchester, England and Saskatoon, Saskatchewan. Not awarded to applicant.

International Speakers Exchange Grant. Grant to provide funds for registration, airfare, lodging and incidentals. Total amount of funds is determined by conference location. 2009 locations include Manchester, England and Vancouver, British Columbia. Not awarded to applicant.

American Society of Radiologic Technologists Educational and Research Foundation.

International Speakers Exchange Grant. Grant to provide funds for registration, airfare, lodging and incidentals. Total amount of funds is determined by conference

location. 2008 locations include Durban, South Africa and Birmingham, England. Not awarded to applicant.

The Meadows Foundation: Computerized Radiography System Project, Total budget: \$150,000.00. Not funded. 2005.

The Carl Perkins Vocational and Technical Education Grant, Educational Leadership Project, Total budget: \$ 75,151.00. Not funded. 2005.

Presentations

The Association of Collegiate Educators in Radiologic Technology (ACERT), February, 2022. I presented a lecture on learning theories.

The Association of Collegiate Educators in Radiologic Technology (ACERT), February, 2021, 2022, 2023. Co-host the annual student bowl for students of programs from all over the country.

Presented to Midwestern State's Radiology Program Master's course a lecture that focused on learning theories. This was presented to students who have identified education as their interest while pursuing a Master level degree. The topic focused on several theorists while discussing the similarities and differences they possess.

Co-hosted the student bowl at the forty-fourth annual Association of Collegiate Educators in Radiologic Technology (ACERT). The student bowl pits students from other radiologic science programs from all over the country to correctly answer questions that will appear on the national registry exam. When a student is incorrect in their answer, they are eliminated from the competition. The completion ends when there is only one student remaining.

The Association of Collegiate Educators in Radiologic Technology (ACERT), January 25-27, 2017. I presented a talk entitled Exploring Other Cultures: How to Talk to Our Patients.

Medical Imaging's Role During Military Conflict. Presented at the Association of Collegiate Educators in Radiologic Technology, Las Vegas, NV. 2015.

Positioning of the Scapula presented at the Radiologic Sciences Clinical Instructor Seminar, with Jackie Miller, Midwestern State University, Wichita Falls, TX, 2013.

Medical Imaging's Role During Military Conflict. Presented at the Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, TX, 2013.

Radiobiology and Protection: The Technologist's Educational and Ethical Responsibilities. Presented at the Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, TX, 2012.

Film Critique Workshop presented at the Radiologic Sciences Clinical Instructor Seminar, Midwestern State University, Wichita Falls, TX, 2011.

Poster Presentation – U.S. Technologist's Radiation Exposure Perceptions and Practices. Second Annual Scholarship Colloquium, Midwestern State University. Wichita Falls, TX, 2011.

Urinary Tract Imaging: Anatomy, Procedures, and Pathology. Presented at the Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, TX, 2010.

Upper GI Series: Anatomy, Procedures, and Pathology. Presented at the Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, TX, 2010.

Vygotsky and Collaborative/Cooperative Learning. The Association of College Educators in Radiologic Technology Annual Conference, Las Vegas, Nevada, 2010.

Diagnosing Osteoporosis: The Evolution of Bone Densitometry. The Wichita Falls Society of Radiologic Technologists, Wichita Falls, TX, 2009.

Tips for Teaching Positioning of Shoulder Projections. Radiologic Sciences Clinical Instructor Seminar, Midwestern State University, Wichita Falls, TX, 2008.

Vygotsky and Collaborative Learning. Presented at the Association of Educators in Imaging and Radiologic Science Annual Meeting and Conference, Albuquerque, NM, 2008.

Basic Principles of Radiobiology. Presented at the Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, TX, 2008.

Basic Positioning of the Shoulder Girdle. Presented at the Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, 2008.

Implications for Patient Safety with Digital Imaging, Radiologic Sciences Clinical Educators Seminar, Wichita Falls, TX. 2007.

Basic Spine Positioning: An Overview. Presented at the Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, TX, 2007.

Distinguished Lecture Series, Osteoporosis: The Silent Disease of the Sexes. Presented to the Athletic Training Education Program and the College of Health Sciences and Human Services, Midwestern State University, Wichita Falls, TX, 2007

New Approach to Scapula Positioning, Mercy Hospital, Ardmore, OK, 2007.

Student Transitions From Didactic to Clinical Settings, Radiologic Sciences Clinical Instructor Seminar, Midwestern State University, Wichita Falls, TX, 2006.

Common Student Errors: What Your Clinical Instructor Will Be Looking For. International Society of Radiographers and Radiologic Technologists hosted by the American Society of Radiologic Technologists Annual Meeting, Denver, CO, 2006.

Conventional to Digital Imaging: Clinical Implications, Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, TX, 2006.

Male Osteoporosis, Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, TX, 2006.

The Evolution of Bone Densitometry, Wichita Falls Society of Radiologic Technologists Wichita Falls, TX, 2005.

Conventional to Digital Imaging: Clinical Implications, Radiologic Sciences Clinical Instructor Seminar, Midwestern State University, Wichita Falls, TX, 2005.

Molecular and Cellular Interactions with Ionizing Radiation, American Society of Radiologic Technologists Annual Meeting, Orlando, FL, 2005.

Common Student Positioning Errors, Radiologic Sciences Clinical Instructor Seminar, Midwestern State University, Wichita Falls, TX, 2004.

Cellular Response to Irradiation, Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, TX, 2003.

Film Critique: What Makes a Radiograph Too Light or Too Dark, Central Texas Veteran's Healthcare Continuing Education Seminar, Temple, TX, 2003.

Cellular Response to Irradiation, Radiologic Sciences Clinical Instructor Seminar, Midwestern State University, Wichita Falls, TX, 2003.

Film Critique, American Society of Radiologic Technologists Annual Meeting, Orlando, FL, 2001.

Working in the Radiography Field of the Health Sciences, Career Day at Northwest Junior-Senior High School, 1988.

Radiation Protection for the Patient and Technologist. Mercy Hospital, Wilkes-Barre, PA. 1987.

Obtained a certificate from The Oklahoma School for the Deaf. This was an eight-lesson course in basic in conversational American Sign Language.

Obtained several certificates of completion regarding cyber security awareness. September 2017 to present.

Received a certificate of training completion regarding several topics. Topics include EEO discrimination, child protection, sexual harassment, ethics and the campus SaVE act. March 2018.

Obtained National Institute of Health certification for successfully completing the training course: "Protecting Human research Participants" (2015)

Obtained four FEMA Certifications through the Emergency Management Institute as a requirement for continued interdisciplinary committee activity. (2014)

Workshop for training and use of a SIM mannequin (SimMan 3G) for providing scenarios of acute situations related to patient care. Joint effort with radiologic science and respiratory therapy. September, 2010.

Designing Courses for Significant Learning, presented by the MSU Teaching and Learning Resource Center, August, 2008.

Association of Educators in Imaging and Radiologic Science.

Albuquerque, NM, June, 2008.

The Essentials of Bone Densitometry, 2003.

Midwestern State University Radiologic Sciences Clinical Instructors Seminar.

Midwestern State University, October, 2002 to October, 2017

Albuquerque, NM, June, 2011.

Las Vegas, NV, 2012.

Sterling Diagnostic Imaging, Inc. Penn State-Geisinger, Wyoming Valley Medical Center, Plains, PA, 1997.

Association of Educators in Radiologic Sciences Annual Conference, Las Vegas NV, 1996.

Pennsylvania Society of Radiologic Technologists Annual Conference,
Seven Springs, PA, 1990.

Atlanta Student/Educator Seminar, Atlanta, GA, 1988.

Radiation Educators Workshop, Pittsburgh, PA, 1988.

Applied Research

Radiation dose trends and radiographer perceptions and responsibilities. This research focuses on the recent change in primary source of radiation exposure to the U.S. population from natural sources to man-made sources and the role and perceptions of the U.S. radiographers in this trend. A national survey is planned early in 2009 with completion and presentation of results in December of 2009.

Associate Degree in Applied Science program accreditation preparation. Preparations for the Joint Review Committee on Education in Radiologic Technology site visit. (Program, 2008)

Associate Degree in Radiologic Science curriculum review committee. (Program, 2006)

Radiologist Assistant Curriculum review Committee. (Program, 2006)

Scapula Positioning Project. Clinical trials have ended. The process has now entered data collection and interpretation. (Program, 2006)

Grading Equity in Procedures Lab. Self study to determine the grading differences of independent instructors within the same laboratory setting. (Program, 2005)

Consultation

Content review and revision editor for online continuing education courses in Upper Extremity positioning and procedures. 2009

Professional Involvement

Awards and Honors

Recognition of 20 years of teaching and service to Midwestern State University. May, 2023

Recognition of 15 years of teaching and service to Midwestern State University. November, 2017

Certificate of Appreciation presented by the American Society of Radiologic Technologists in recognition of the contributions made to the 2013 Bone Densitometry Curriculum Revision Workgroup. (2013).

Gold stars from students for making a difference

Radiology Management Outstanding Article Award for:
 Hisaw, T. & Comello, R.J. (2009). Mentoring for the next generation of new Managers. *Radiology Management*, 31(4) 34-37. The American Healthcare Radiology Administrators. 2010.

Gamma Phi Beta Sorority, Midwestern State University, Teacher of the Month Honor for April, 2010.

Moffett Library Faculty Recognition for the achieving the rank of Associate Professor. A book will be added to the book collection of the library with a commemorative bookplate to acknowledge this achievement, 2009.

Moffett Library Faculty Recognition for the awarding of tenure. A book will be added to the book collection of the library with a commemorative bookplate to acknowledge this achievement, 2007.

Order of Omega, Midwestern State University, Certificate of Appreciation, 2005.

Who's Who among American Teachers, 2005.

Radiology Management Outstanding Article Award for:
 Lamberth, B. & Comello, R.J. (2005). Identifying elements of job satisfaction to improve retention rates in healthcare. *Radiology Management*, 27(2), 34-38. The American Healthcare Radiology Administrators. 2005.

Competitive selection for the Leadership Academy for Educators, American Society of Radiologic Technologists, 2005.
