## Course Objectives

- Awareness of theatre periods, genres and styles (departmental goal). During the course of the student's time in THEA 1121, 2121, 3121 & 4121, the student will have the opportunity to work on productions from a wide variety of periods, genres and styles.

- Theoretical/Conceptual Knowledge and Application (departmental goal). Students will demonstrate the ability to translate theoretical/conceptual knowledge of performance and design/tech areas creatively into public performance.

**By accepting this syllabus, you are indicating that you understand and accept all the policies listed herein.**

- Professionalism (departmental goal). Students will demonstrate a developed, integrated sense of professionalism, citizenship, ethics, artistic integrity, aesthetic sensibility, cultural awareness, and wellness.
- Safety Knowledge and Practice (departmental goal). Students will demonstrate safety knowledge and practices while working on and performing public performances.

### Requirements

The evaluation form that will be used to assess students' performance in the courses is available in D2L and on our Facebook page. A schedule of the production season and theatre events will also be provided in the same place (as soon as available). The student's responsibilities are as follows:

- Read the departmental handbook. There is no textbook for the class. A copy of the departmental handbook will be available on D2L and the departmental Facebook page. Students are expected to read and understand the handbook. Weekly quizzes will be based on this material.
- Attend the Majors/Minors Meeting at the beginning of the semester.
- Complete the "Cast and Crew Questionnaire," "After Hours" document and "Smoking" document. **Should the student decide not to sign the document, an unsigned copy with the student's name should be filed to acknowledge that the student has chosen to not sign the document.**
- Check the department's Facebook page, D2L or physical callboard for the crew list, which should be posted no later than the Monday following the first majors/minors meeting.
- Contact your crew head and watch for crew work calls.
- Complete 4 hours per week for each production (more details on this below).
- Crew heads **must** post crew meetings and weekly work calls.
- Take and **pass with 100% all** the Theatre Department Handbook quizzes. Quizzes will be posted on D2L. These quizzes will consist of 10 questions chosen from a pool, meaning that the questions will vary on each attempt. Each quiz will be available beginning noon Tuesday of the week and will close at noon on Friday of the week. Each quiz will have a maximum time limit of 10 minutes. Students will have an unlimited number of attempts at each quiz but the quiz will be recorded as a 0 in the gradebook if the student does not score 100% on the final attempt.
- If you are assigned to a running crew, you must attend a full run-through of the play before the first technical rehearsal (scenery, lighting, props) or before the first dress rehearsal (costumes, makeup).
- Participation at strikes for mainstage productions is mandatory. Work obligations are **not** an excuse. Your grade for that production will be lowered one grade level for failure to participate in strike.
- Students are required to attend both post-production meetings held for the mainstage

**By accepting this syllabus, you are indicating that you understand and accept all the policies listed herein.**

productions (dates on master calendar). As student will know these dates more than a month in advance of the meetings, work is NOT an excuse for missing these meetings.

- Crew heads and crew members **must** complete and turn in evaluations of their crews on D2L by the time indicated on the class schedule.
- Everyone cast in MSU Theatre productions must purchase acceptable rehearsal shoes. What is “appropriate” will be determined by the director, choreographer and costume designer in consultation.
- Individuals assigned to scenery, lighting or properties must provide their own work goggles and canvas or leather work gloves.
- Any questions or requests, such as requests for revisions of the crew lists, must be directed to the Professor of Record.
- **First semester theatre majors are required to attend a jury in December. All theatre majors and minors are required to have a jury at the end of Spring semester.**

### **Crew Assignments & Class Meetings**

All students are expected to complete a crew assignment for each production during the semester. The faculty may, upon deliberation, choose to allow acting in a principal role to serve as the crew assignment for that production. Regardless of casting, this action will only be given once a semester per student.

All students are expected to attend class each Monday (THEA 3121 & 4121) or Tuesday (THEA 1121-2121). If a student’s schedule requires that they attend on a different day than the scheduled meeting for the class, the professor of record must be notified by the first meeting of the class. As different material is taught on different days, unless approved by the professor of record, students must attend on their assigned day. Student assistants may not be signed in (on the time clock) during the weekly class meeting.

As listed above in “Requirements”, students are required to put in four hours a week. If a student wishes to be excused from the crew hours due to the size of their role in the production, the request **MUST** be filed with the director during the first week of classes for the semester and then approved by the Department Chair. Students who are excused from crew hours must still attend the weekly meeting of the class.

Assessing the student’s crew hours will be based on number of hours put in (as documented by attendance sheets and time sheets) and the supervisor’s assessment of the quality of the student’s work. Time for the regular class meeting will be deducted from that week’s requirements i.e. if class is 30 minutes long, students should put in 3 ½ hours that week and if class is 50 minutes long, students should put in 3 hour 10 minutes that week. For student assistants, these hours are in addition to student assistant (paid) hours.

Generally, if a student is assigned to a running crew i.e. board operator, wardrobe etc., the student will begin their hours late in the game, i.e. one or two weeks prior to opening night. Students on a running crew frequently end up putting in more hours than students on the build crew. As such, these students will not be recording their hours.

Crew heads may find that, in the fulfilling of their responsibilities, they will need to put in more than four hours a week. For this reason, crew heads are generally upper classmen. If a

student is assigned to a crew head position and believes that they will not be able to make this commitment, they should speak with the Professor of Record immediately upon the assignment of the responsibility so they can be reassigned.

### **Cell Phones and Other Recording Devices**

Cell phones must be silenced and put away completely out of sight and not looked at until the class is over. If at any point your cell phone is NOT put away and silenced, you will be asked to leave for the remainder of the day.

The use of cell phones and other recording or electronic devices is strictly prohibited during rehearsal and production assignments. The instructor may direct, from time to time, on the possible use of cell phones for legitimate class reasons. Recording the class is prohibited, unless it is part of a reasonable accommodation under ADA, or by obtaining written consent by the instructor.

### **Dress Code**

You must have appropriate clothing when attending rehearsals, shop, performance runs, etc. Inappropriate clothing etc. will be grounds for automatic grade reduction.

It is recommended that before ascending the Genie Lift, lighting catwalks, fly platform etc., the student empty their pockets of items like cell phones, keys etc. If when working at a height, the student drops a personal item, MSU Texas is not responsible for any damages.

### **Attendance**

You must attend all regular meetings of the class and all required crew calls for your crew.

You are responsible for any information that you miss due to absenteeism. Excessive lateness may count as an absence and will be determined by the instructor.

Unavoidable absence – Jury duty, death in the family, etc. You must send notification by email to the faculty member supervising the crew/rehearsal explaining the situation **prior to missing the crew call/rehearsal**. Be sure to include your name and your situation. If you are ill, notify the professor before class begins and you will receive an excused absence. If you test positive for Covid-19, please notify the professor immediately so that a conversation can be held regarding work due during that period.

### **Mental and Physical Health**

We are living in a world with increasing stress which is challenging for everyone. Each of us

you understand and accept all the policies listed herein.**

responds differently to this stress and sometimes we need assistance in maneuvering life. As soon as you start to feel that you are not coping/dealing with life as well as you have in the past, the need to reach out for assistance or just someone outside your everyday life to speak with, please reach out to any of the theatre faculty. We are all concerned that we each be as mentally well as possible. We can listen, offer our assistance, but more importantly, we can help you get the professional assistance that you need. The Psychology Clinic and the Counseling Center are services that you have already paid for with your fees and so are no cost for you to use!

As theatricians, we are heavily reliant on our bodies for our artform. Whether we need the stamina to put in an eight hour day in a studio/shop or the strength to move/dance/sing/act in rehearsal and performance, we need our bodies to be the best they can be. Student fees have paid for and created the Wellness Center (<https://msutexas.edu/student-life/wellness-center/index.php>) with lots of free classes and many hours of access to a wide range of machines. There is no charge to use the Wellness Center.

If you sick, you have access to medical care on campus at the Vinson Health Center (<https://www.msutexas.edu/healthcenter/services>) . There is no charge for a doctor's appointment but there are minimal costs for lab work, x-rays, etc. Prescriptions written there can be filled at any pharmacy in Texas. MSU has a contractual agreement with Trott's Drug (<https://www.trottsdrug.com/>) to provide prescribed medications at a discounted rate for enrolled MSU students.

Let's all do our best to be as healthy, mentally and physically, as we can!

### **Infection/Illness Control**

Even the best and most careful of us get sick. In order not to infect others, the professor asks you to zoom in to class. If you need to zoom, you should contact the professor at least 30 minutes prior to the start of class. If you zoom in, you are required to meet the following requirements:

- Have a working video camera
- Have a stable internet connection
- Have a working microphone
- Have a quiet space in which to zoom
- Have the video camera and microphone on the entire class
- Have at least high visibility lighting (ring light is ideal)

Should the class need to move to remote, all the above requirements are needed by every student.

### **Conduct Statements**

Behavior that interferes with either the instructor's ability to conduct the crew call/rehearsal or the ability of other students to benefit from the instruction or the safety of others working around the student will result in the instructor/faculty supervisor removing the disruptive student(s).

### **Academic Dishonesty Statement**

**By accepting this syllabus, you are indicating that you understand and accept all the policies listed herein.**

Plagiarism is (1) the use of source material of other persons (either published or unpublished, including the Internet) without following the accepted techniques of giving credit or (2) the submission for credit of work not the individual to whom credit is given. If a student in the class is caught plagiarizing, appropriate disciplinary action will be taken. The Student Creed developed and adopted by the MSU Student Government reinforces the discouragement of plagiarism and other unethical behaviors. The first statement of the Creed reads, "As an MSU student, I pledge not to lie, cheat, steal, or help anyone else to do so." Plagiarism is lying, cheating, and stealing.

### **Student Privacy Statement**

In accordance with Federal Privacy Laws a student's personal information is protected. As an instructor it is unlawful for me to share your personal information (including grades) with anyone unless I have written consent. This means I will not be able to discuss your grades with parents. If you have questions about your grades or have forgotten the grading policy for the course please contact the instructor during office hours.

### **Disability Support Statement**

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability requiring an accommodation, please contact the Disability Support Services in Room 168 of the Clark Student Center, 940-397-4140.

### **Campus Carry**

Senate Bill 11 passed by the 84<sup>th</sup> Texas Legislature allows licensed handgun holders to carry concealed handguns on campus, effective August 1, 2016. Areas excluded from concealed carry are appropriately marked, in accordance with state law. In the B Wing of the Fain Fine Arts Center, the scene shop is excluded from concealed carry. For more information regarding campus carry, please refer to the University's webpage at <http://mwsu.edu/campus-carry/rules-policies>. Please note that the Scene Shop is excluded from concealed carry due to the presence of explosive chemicals. Anyone on properties crew, lighting crew, sound crew, scenery crew or paint crew will need to enter the Scene shop so should remember that concealed carry is not allowed in that space.
