### Important Dates

Last day for term schedule changes: January 20, 2023.

Deadline to file for graduation: February 20, 2023.

Last Day to drop with a grade of "W": March 27, 2023.

Refer to: [Drops, Withdrawals & Void](#)

### Attendance

You are expected to attend all classes. A lot of material is presented in each class period, which makes it easy to fall behind if a class is missed. If you miss a class, it is **YOUR** responsibility to get class notes from classmates or any handouts from your instructor. Excessive absences will usually result in failure of the course. Students should refer to the current MSU Student Handbook for university policy on academic dishonesty, class attendance, student rights and activities. For example, see page 43 for information on class attendance policy and page 8 for the student honor creed.

### Aids for Success

MAKE SURE YOU READ YOUR TEXTBOOK! Most of the material for exams will be derived from the textbook and notes. Read the chapter(s) assigned for each class period. Lectures should correspond to the chapters indicated on your syllabus. Take thorough lecture notes to make sure you get material covered in lecture that is not in the text.

### Class Policies

Class Prerequisite: Eight semester hours of biology, each course with a grade of C or better.

Class Requirements: This class contains both a lecture and separate lab component to it. You must be registered in both the lecture and lab and attend both.

**ALL ELECTRONIC DEVICES SHOULD BE OFF IN THE CLASSROOM. THIS INCLUDES PHONES AND LAPTOPS.**

### Change of Schedule

A student dropping a course (but not withdrawing from the University) within the first 12 class days of a regular semester or the first four class days of a summer semester is eligible for a 100% refund of applicable tuition and fees. Dates are published in the Schedule of Classes each semester.

### Refund and Repayment Policy

A student who withdraws or is administratively withdrawn from Midwestern State University (MSU) may be eligible to receive a refund for all or a portion of the tuition, fees and room/board charges that were paid to MSU for the semester. HOWEVER, if the student received financial aid (federal/state/institutional grants, loans and/or scholarships), all or a portion of the refund may be returned to the

financial aid programs. As described below, two formulas (federal and state) exists in determining the amount of the refund. (Examples of each refund calculation will be made available upon request).
